

# Digital Stories for Change

**Digital Stories for Change**, an *individual or team event*, recognizes participants who demonstrate their knowledge, skills, and abilities to actively identify an issue concerning families, careers, or communities; research the topic; and develop a *digital story* to advocate for positive change. The topic for 2016–2017 is “Financial Fitness” which may include, but is not limited to, topics, units, or activities related to the Financial Fitness national FCCLA program. **Level I:** Participants must prepare a **digital story and project components** to be submitted online. **Level II:** Fifteen (15) entries will be invited to present their *digital story*, plus an **oral presentation**, at the National Leadership Conference.

### CAREER CLUSTER/ CAREER PATHWAY

- Arts, A/V Technology & Communications
- Human Services

### EVENT CATEGORIES

**Junior:** through grade 9

**Senior:** grades 10–12

**Occupational:** grades 10–12

See page 84 for more information on event categories.

### ELIGIBILITY

1. Review “Eligibility and General Rules for All Levels of Competition” on page 87 prior to event planning and preparation.
2. Any nationally affiliated FCCLA chapter may submit one entry in each category.

### PROCEDURES: LEVEL I

1. Participants create a *digital story* about an issue concerning families, careers, or communities using the 2016–2017 national topic (see event description). It is not a demonstration or “how to” presentation, nor a photo/video slide show.

*								*	*

\* As a backup, participants may bring their digital story files on a USB drive. No additional Audio, Presentation Equipment, or Visuals other than the presentation of the digital story are allowed.

2. The total running time of the *digital story* must be no longer than five (5) minutes in length, to include the title and credits.
3. Projects must be posted on the school/chapter website or wiki. Posted components include: *digital story* video with copyright notice, project storyboard, *project identification page*, project summary, and FCCLA *Planning Process* summary page. The video must be embedded on the website/wiki and a link provided to the original source (such as SchoolTube, YouTube, Vimeo, etc.). The other required project components must be able to be opened in Microsoft Word or in PDF format.
4. **The use of inappropriate music, graphics, or text will automatically disqualify the entry.** Inappropriate materials are those that are obscene, profane, or explicit.
5. **The use of copyrighted music, photographs, or graphics in the digital video will disqualify the entry.** Music, photographs, text, trademarks, or names that are used in the project must be properly cited and documented. **Only original items or items licensed for reuse are allowed.** Most popular/commercial music is copyrighted and its use strictly limited. Participants are encouraged to use music with the appropriate license for reuse and publication on the Internet. Copyright laws must be followed.
6. Participants must follow state or district rules/guidelines for student privacy and use of photographs or student work when published online.
7. Deadline for submission and project completion of Level I entries is February 1, no Level I entries may be changed after February 1.

## ENTRY SUBMISSION AND REGISTRATION PROCESS

1. Level I entries will be submitted no later than February 1 using the Online STAR Events entry/registration form. A Level I entry fee will be required.
2. Level II entries will be submitted through the Online STAR Events Registration System through state advisers. The registration fee will be the same fee required of all National STAR Events participants, plus a team *technology* fee required for all online events. See page 91 for National STAR Events registration deadlines and information.

## AWARDS AND RECOGNITION— LEVEL I

Each participant will receive a printable electronic STAR Events certificate along with their evaluation results. States may recognize these participants, if desired. The top 15 participants (no ranking 1–15 indicated) receiving a score of 70 or above, will receive an invitation by March 15 to compete at the National Leadership Conference.

## PROCEDURES & TIME REQUIREMENTS

### For National Star Events Participation Only: Level II (Invitation Only)

1. Participants will have 5 minutes to set up their presentation.
2. Participants will play their digital video for the evaluators. The total running time of the *digital story* video **may be up to** 5 minutes in length. Videos will be stopped at 5 minutes.
3. Participants must include an oral presentation which may be up to 5 minutes in length. A one-minute warning will be given at 4 minutes. The participants will be stopped at 5 minutes.
4. Following the presentation, evaluators will have 5 minutes to interview the participant and review the project website and/or video.
5. Evaluators will have up to 5 minutes to use the rubric to score and write comments for each participant.

## GENERAL INFORMATION

### National Leadership Conference Participants Only

1. A table and laptop computer with Internet connections will be provided. As a backup, participants may bring their *digital story* files on a USB drive. Participants are not allowed to bring in any additional equipment. Note cards may be used in the oral presentation.
2. To prepare for the Level II presentation, participants are encouraged to update their Level I presentation based upon evaluation feedback. Changes may be made after March 15.
3. Specifications for the computer hardware and software versions supplied by FCCLA for use at National Leadership Conference will be posted on the national FCCLA Website by June 1.

### AWARDS AND RECOGNITION— LEVEL II

Participants will receive recognition items including achievement medals and a press release to be personalized for local newspapers. Recognition will be held during the STAR Events Recognition Session.

## DIGITAL STORIES FOR CHANGE Specifications

### Website

Projects must be posted on the school/chapter website or wiki. Posted components include: *digital story* video with copyright notice, project storyboard, *project identification page*, FCCLA *Planning Process* summary page. The video should be embedded on the website/wiki. The other required project components must be able to be opened in Microsoft Word or in PDF format.

1-8 ½" x 11" page	<i>Project Identification Page</i>	<i>Plain paper</i> , with no <i>graphics</i> or decorations; must include participant's name(s), chapter name, school, city, state, FCCLA national region, event name, and project title. Must be posted on the website in Microsoft Word or PDF format.
1-8 ½" x 11" page	FCCLA <i>Planning Process</i> Summary Page	Summarize how each step of the <i>Planning Process</i> was used to plan and implement the project; Must be posted on the website in Microsoft Word or PDF format. <b>For National Leadership Conference Phase II Participants Only:</b> use of the <i>Planning Process</i> must also be described in the oral presentation.
1 	Evidence of Online Project Summary Submission	Participants should complete the online project summary form located on the STAR Events Resources page of the national FCCLA website and include proof of submission on the website.
As Needed 	Storyboard Pages	Using the provided template, participants develop a detailed storyboard for the <i>digital story</i> project. The storyboard should be developed in sequential order to include scripting, narration, sounds/music, images, sketches or <i>graphics</i> , and technical aspects such as timing and design. Must be posted on the website in Microsoft Word or PDF format.
Up to 3 8 ½" x 11" pages	Project Summary Pages	Project summary pages to include the purpose of the project, relationship to areas of Family and Consumer Sciences and/or related careers, relevant research, background information that might help the <i>audience</i> understand the point of view of the project, and the change or awareness goal of the project. Must be posted on the website in Microsoft Word or PDF format.

### Digital Story/Video

Participants create a *digital story* about an issue concerning families, careers, or communities using the 2016–2017 national topic (see event description). The *digital story/video* may be produced using video creation tools of the participants' choice, but must be posted online to the website/wiki.

Introduction	Create an introduction to the <i>digital story</i> that is original, catches interest, and relates to the purpose and focus of the <i>digital story</i> project.
Purpose and Focus	The participants should establish a clear purpose, focus, and point of view early in the <i>digital story</i> and maintain this purpose and focus throughout the video presentation.
Subject Knowledge	Subject knowledge of the family, career, or <i>community</i> issue is clearly evident. All information presented in the video is appropriate and accurate.
Creativity and Design	Color, design, effects and creativity support the theme of the video. Should not distract the viewer from the purpose and focus.
Technical Quality—Sound	Sound quality—volume levels are adequate and consistent, clear sound (no crackling).
Technical Quality—Images or Video	Images used are original or licensed for reuse. Image or video quality is high resolution and there is no size distortion.
Technical Quality—Editing	Editing and production provides minimal, smooth, and effective transitions. Use of effects supports the story and maintains purpose and focus.
Works Cited/ <i>Bibliography</i>	All work is original, or copyright permissions are included; only items licensed for reuse are used. Use MLA or APA citation style to cite all references. <i>Resources</i> should be <i>reliable</i> and <i>current</i> .

## Digital Stories for Change Specifications (continued)

Licensing	A copyright or licensing statement is included in the video. Creative Commons licensing may be used— <a href="http://www.creativecommons.com">www.creativecommons.com</a> .
Communication— Graphics/Images	<i>Graphics</i> , images, or video creates emotion to match the storyline, and communicates symbolism or metaphors. Images are well coordinated with music, sound, or narrative. (Slide shows are not an acceptable format). Only original <i>graphics</i> or images or those licensed for reuse may be used.
Communication— Text	Word, text or <i>graphic</i> choices are powerful, vivid, and descriptive to <i>audience</i> , and support the purpose and focus. Spelling, word choice, and grammar are used correctly.
Communication— Music/Sound	Music or sounds used in the video should significantly enrich the project, create the appropriate mood or tone, and is coordinated with text or images. Only original music or music licensed for reuse may be used.
Narration	A narration of the <i>digital story</i> should follow an original script. Narration should include one or more of the participants, and others, as desired. The main narration should be in English; other languages may be used to enhance the <i>digital story</i> . Diction, fluency, and flow supports or enhances the project.
Ending	Ending should bring closure to the <i>digital story</i> and engage the <i>audience</i> in reflective thinking or action toward change.

### For National Leadership Conference Level II Participants ONLY

#### Oral Presentation

Following the viewing of the *digital story* presentation by evaluators, participants will deliver an oral presentation, which **may be up to** 5 minutes in length, to evaluators. The presentation should describe the research, planning, impact and personal learning of the participant as a result of the project. The presentation may not be prerecorded. No presentation elements are allowed during the oral presentation.

Organization/Delivery	Deliver oral presentation in an organized, sequential manner; concisely and thoroughly summarize project.
Relationship to Family and Consumer Sciences Coursework and/or	Describe relationship of project <i>content</i> to Family and Consumer Sciences and related careers.
Knowledge of Subject	Demonstrate knowledge of subject matter, research, and impact of project on participant(s).

### DIRECTIONS:

1. Make sure all information at top is correct. If a student named is not participating, cross their name(s) off. If a team does not show, please write "No Show" across the top and return with other forms. Do **NOT** change team or station numbers.
2. At the conclusion of presentation, verify evaluator scores and fill in information below. Calculate the final score and ask for evaluators' verification. Place this form in front of the completed rubrics and staple all items related to the presentation together.
3. At the end of competition in the room, double check all scores, names, and team numbers to ensure accuracy. Sort results by team order and turn in to the Lead or Assistant Lead Consultant.
4. Please check with the Lead or Assistant Lead Consultant if there are any questions regarding the evaluation process.
