### FCCLA Programs

Projects may qualify to compete at the annual National Leadership Conference.

Turn this page over to see examples of projects from across the nation and participation data.

For information state participation, please contact your state adviser.
Examples of Culinary Art Projects:

“My team and I practiced the menu options several times to get a feel for not only the recipes, but also each other. We had to learn all of our strong and weak points as individuals and as a team so we could work together more efficiently. We learned responsibility and a considerable amount of communication skills that will definitely help us in our futures.” Arizona FCCLA Members

“In order to prepare for our project, we have practiced as a team 2-3 times a week. We have divided the menu responsibilities, leaving one member in charge of the entree while the other member prepares the salad and dessert.” Missouri FCCLA Members

“We work in a group of three to complete the Culinary Arts project. We will need to make three courses in a certain amount of time. We need to demonstrate the kitchen skills that we have learned. We have been practicing weekly to help us achieve our goal.” Pennsylvania FCCLA Members

Culinary Arts by the Numbers:
2017-2018

Participants Nationwide: 444 teams, 1172 participants
Categories: Occupational, Postsecondary
Type of Event: Career Focused
Nationwide Impact: 22,085 people

92% of Culinary Arts participants indicated this event is extremely or very useful to their future. 65% of Culinary Arts participants indicated they would pursue higher education related to the career chosen in their project.
