

**THE LAUNDRY SONG**

(Tune: Row, Row, Row Your Boat)

1. Read, read, read, the labels,  
They tell you what to do.  
If you don't you will be sad,  
Your clothes will not look new.
2. Sort, sort, sort your clothes,  
Put them into piles.  
Colors here and whites go there,  
It will give you smiles.
3. Treat, treat, treat your stains,  
Try to get them out.  
If not your clothes will look all bad,  
And you may have to pout.
4. Use, use, use detergent,  
Pick the one that's right.  
They all have some advantages,  
And dirt they all will fight.
5. Choose, choose, choose your bleach,  
The directions you will find.  
Follow these all so carefully,  
The rules you really must mind.
6. Pick, pick, pick the temp,  
Doing this is wise,  
If you don't, your clothes will fade,  
And this you will despise.
7. Wash, wash, wash your clothes,  
If you want them clean.  
Use the proper agitation,  
So you don't split your seam.
8. Rinse, rinse, rinse your clothes,  
Get out all the scum.  
It will make your clothes turn gray,  
And you will look real dumb.
9. Dry, dry, dry your clothes,  
Fold them nice and neat.  
Hang your shirts up in a row,  
Your laundry, you have beat.
