

**CLASSIC CLOTHING CHOICES
SCORING GUIDE**

Each question is worth up to 5 points; score each of your answers following this guide:

QUESTIONS - 1, 4, 7, 10, 11, 13, 14 should be answered **NO**.
SCORE: NO = 5 YES = 1

QUESTIONS - 2, 3, 5, 6, 8, 9, 12, 15 should be answered **YES**.
SCORE: YES = 5 NO = 1

A perfect score would be 75. If you scored between 60 and 75, you seem to have a good sense about choosing your clothing and are using it to your advantage.

If you scored between 45 and 60, you are showing an average sense about choosing your clothing. Don't feel badly—most people are in this range. This unit will help you make better choices.

If you scored between 35 and 45, it's a good thing we're studying this topic!!
