1. Darts can be **MOVED** from one seamline to another.

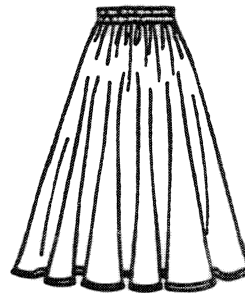

4. Darts can be **CONVERTED** to **GATHERS** and **SEAMLINES**.

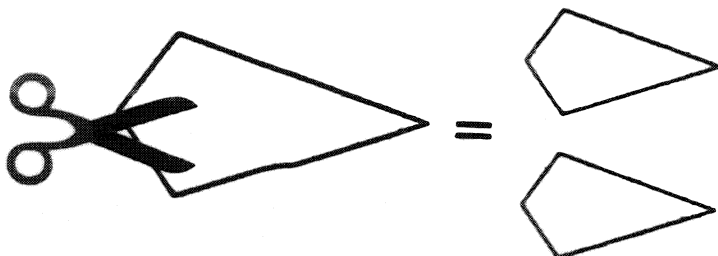

2. Two smaller darts can be **COMBINED** into one large dart.

5. Darts can be **CONVERTED** to **FLARE** in skirts.

3. Large darts can be **DIVIDED** into two or more smaller darts.

6. Darts can be **RELEASED** to make clothing that hangs straight.
