INFLUENCE OF VALUES ON CLOTHING CHOICES

1. Look through a magazine and cut out the picture of an individual (well-known or unknown). Attach it to this paper. Describe the values reflected by what the person is wearing and by the person's total personal appearance. List all you can think of.

2. In this section, make a list of your favorite clothing items for this season. Include anything you wear—day or night.

   Favorite Clothing Items:
   1. ____________________________
   2. ____________________________
   3. ____________________________
   4. ____________________________
   5. ____________________________
   6. ____________________________
   7. ____________________________
   8. ____________________________

  10. ____________________________

   Suppose you were told you had to eliminate at least three of these items. Draw a line through the three items you could do without the easiest. Now, suppose you had to give up all but three of these ten items. Circle the three items that mean the most to you or that you would choose to keep.

2. Why did you decide you could do without the first three items?

   ___________________________________________________________

   Why do you want to keep the three items you circled?

   ___________________________________________________________

   What personal values do these three items reflect?

   ___________________________________________________________

3. In this third section, describe what you would wear for the activities listed. Then interview an adult over 30 years of age to find out what they think would be appropriate for you to wear.
