

INTERNATIONAL CARE SYMBOLS

Many garments are imported. The international care symbols may be printed on the care label. The symbols are easily interpreted.

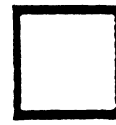

Washing

Drycleaning

Bleaching

Drying

Ironing

Laws in the United States requires that instructions be given in English. If a garment is bought in a foreign country care information needs to be translated. Temperatures need to be converted from Celsius to Fahrenheit.

If the diagram has an **X** through it, that means "DO NOT _____". Other special instructions may be given in the middle of the symbol.

Do Not Wash

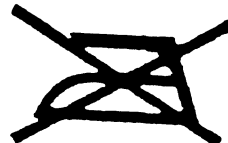

Wash, hot

Wash, lukewarm

Hand Wash only
(lukewarm water)

Do Not Iron

Cool Iron

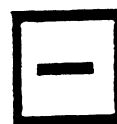

Warm Iron

Hot Iron

Tumble Dry

Dry Flat
