

EXAMPLE LETTER TO PARENTS

WARDROBE CARE HOME PROJECT

Date _____

Dear Parent:

In our Fashion Strategies class we are beginning a unit on wardrobe care. For the next few days in school we will discuss laundry products, washability, clothing care labels, stain removal and laundry techniques. As part of this unit, students will need to do a home laundry project.

Between the week of _____ and _____ the student needs to do the family laundry at least twice. This will include the following tasks:

- . gathering all the laundry,
- . preparing articles for laundry such as mending and pre-spotting all stains,
- . sorting, washing, drying,
- . ironing or pressing as necessary,
- . folding, and putting all items in the appropriate place.

The students will have been instructed in basic laundry procedures such as pre-spotting, adding laundry products, and sorting. You may need to instruct your student in the specific use of your machine.

Attached is a sheet that must be completed by you and the student and returned to the Fashion Strategies class for credit.

This sheet is due _____ .

Thank you for your cooperation.

Sincerely,
