Zefran

is The Dow Chemical Company's trademark for products including fibers, yarns, fabrics.

The Dow Chemical Company
Textile Fibers Department
Wilkes-Barre, Virginia

The acrylic fiber in this fabric is Zefran acrylic—the supernatural fiber because it combines the beauty of a superior natural with the performance of a superior man-made into one wonderful fiber. The like-new freshness and superb “touch appeal” of this fashion will delight you, wearing after wearing.

Acrylic fibers are made by several companies under different trade names.
