

GIVING YOUR WARDROBE THE BEST CARE

Name _____ Period _____

This week has not been the best for your wardrobe. Every day, a laundry disaster has hit! Complete the questions below by telling what you did or should have done to repair whatever disaster has come your way.

LAUNDRY PROBLEM

SOLUTION

1. Monday

You were at a friends party, A large carbonated drink spilled down your nonwashable jacket. What would be the best way to treat this problem?

2. Tuesday

While playing softball in P.E. you ran through some mud that splattered your jeans. How will you clean them?

3. Wednesday

When making a Homecoming poster, you got black felt-tip marker on the sleeve of your washable, permanent-press blouse. What will work on this problem?

4. Thursday

At a make up class, make up spilled on cuff of your cotton polyester blouse. Can you get this out?

5. Friday

You brushed up against a "not-so-clean" car while wearing your silk shirt.

6. Saturday

The basketball game was so exciting that your washable sweater got very damp from perspiration.

After the basketball game you went for pizza with your friends, pizza ended up in your lap, on your white jeans. What will you do about these problems?
