

COMPETENCY #2: Identify at least two designers, past or present, that have represented each country.

CONCEPT: Knowing where the top fashion designers are located in the world helps to recognize the cultural influence that that location has on the designer.

LECTURE/DISCUSSION:

Using the information on Fashion capitals provided, identify at least two fashion designers from each of the 5 countries discussed. (For references, use information on the following pages of this unit, from fashion magazines or the library)

NOTE TO TEACHER: The resource information representing each capital could be enlarged and made into a transparency.
