

## COLOR CHART

Color Scheme	Description	Possible Colors
Monochromatic		
Adjacent		
Complementary		
Split-complementary		
Triad		
Accented neutral		

### Activities

1. Examine your wardrobe. What basic colors are predominant? What colors do you have that can be used to accent or contrast with the basic colors? What color schemes can you form out of clothes from your closet?
2. After completing the color chart on the next sheet, write up a color plan or color scheme that will look good on you and will fit your wardrobe.
