COMPETENCY #4: Apply principles and elements of design to personal fashion.

CONCEPT: By understanding the principles of design students will be able to apply them to their personal fashion.

LECTURE /DISCUSSION

Use this section to review and analyze the design principles and elements.

Students can show their assignments to the class individually or make a bulletin board using the best of their examples from their unit assignments.

Discuss with students the relation of face shapes and hair styles to design principles and personal fashion.

NOTE: for information refer to resources showing Face Shapes from Clothing: Concepts and Construction, by Prentice Hall or other good text book references.
