

**COMPETENCY #3:** Discuss and evaluate personal shopping habits and the use of consumer credit.

**CONCEPT #1:** To be good clothing and textile consumers, we need to consider buying clothes that fit properly, identify quality, make sensible buying decisions, use the information on garment hang tags and care labels . All of these will help us make satisfying consumer decisions.

**LECTURE/DISCUSSION**

Read the following pages as a class. Discuss and answer questions as necessary.

**CONCEPT #2:** Consumer credit can be very helpful and useful, or it can be binding and take away your consumer freedom.

**LECTURE/DISCUSSION**

Read, as a class, the following pages. Discuss and answer questions as necessary.
