

Fruit Plate

You Need:

1 apple

1 orange

1 banana

2 slices pineapple

1 pear

strainer

electric or hand can opener

plate

cutting board

sharp knife

1.

Peel banana, cut into slices.

2.

Wash apple. Cut lengthwise into 4 sections.

Core each section. Cut into pieces if desired.

3.

Open can of pineapple slices. Place strainer in sink and empty contents into strainer.

4.

Take 2 slices of pineapple and cut both slices in half.

5.

Peel orange, divide into section with hands or knife.

6.

Wash pear. Cut lengthwise into 2 sections. Core each section.

Cut 2 sections into smaller slices if desired.

7.

Place all prepared fruit on plate. Serve.
