FABRICS FOR WINDOW TREATMENTS

In the space below, mount a swatch of fabric you think would be suitable for a window covering. Sketch a window treatment for which you would use this fabric. (You may wish to include a sketch of the entire room.) Answer the questions below:

FABRIC:

SKETCHING OF WINDOW TREATMENT

1. In what room would you place this window treatment?
2. What effect are you trying to achieve?
3. What is the fiber content of this fabric?
4. Why would this fabric be appropriate for this window treatment?
