
OPTION 4—WALLS AND CEILINGS

STUDENT

Name _____ Hour _____

ILLUSIONS

Find samples or pictures of wall treatments that would create the following illusions:

1. Make a room appear larger
2. Make a room appear smaller
3. Make a room appear warmer
4. Make a room appear cooler
5. Make a room appear taller
6. A treatment suitable for a small, square bedroom with a northern exposure

Mount and label each sample or picture in a creative and professional manner.
