

## WHAT COLOR IS YOUR PERSONALITY?

While there is a lot of validity to moods and psychological effects created by the colors used in a room, psychologists are still studying color preferences and personalities. Below are some personality descriptions based on color preferences. While this information should not be taken too seriously, it is fun to consider.

### PINK

If your favorite color is pink you are probably laid back and carefree. You may be somewhat sheltered and innocent, or you wish you were. Words that describe you are shy, romantic, and feminine. You are gentle, almost to the point of being weak. You have a calming effect on those around you and people who need a friend seek you out.

### RED

If your favorite color is red, you want to be part of the action and are quite impulsive. Outspoken, quick-tempered and intense, are words that describe your personality. In a crowd you are dynamic and noticeable. If you're not careful you can become overbearing. You are emotional, exciting, and athletic. You give your opinion whether others will agree with you or not. Life for you must be lived to the fullest.

### YELLOW

If your favorite color is yellow, you are intellectual and drawn toward the new and modern. High spirited, cheerful, and idealistic best describe your personality. You are vivacious, extroverted and comedic. You have strong opinions and can be stubborn. You live by high standards and give sound advise.

### ORANGE

If your favorite color is orange, you are unique. You are friendly and get along well with others. You radiate warmth and inspire those you are with. You tend to be social and are drawn to groups of people. You are the hearth of the home and grateful for family and friends.

### BLUE

If blue is your favorite color, you are cautious, conservative, and sensitive to the needs of others. Your basic need for harmony often thrusts you into the roll of peacemaker. Words that best describe you are business-like, calm, and capable. You are a loyal, trustworthy friend, but expressing your emotions in a relationship is difficult for you.

### GREEN

If your favorite color is green you are fresh, friendly, and natural. You are persistent, well balanced, and stable. The environment is important in your life and you like things basic to the point of being simple. As a friend you are frank, sensitive, affectionate, and loyal.

**BLUE/GREEN**

If your favorite color is blue/green you are sensitive and need loving care and adoration from others, but you maintain your independence. Showing emotion is difficult for you and others perceive you as self-centered. You have excellent taste and a mature outlook.

**PURPLE**

If you like purple, you are creative! You consider yourself unique and set yourself apart from others. You are an artist at heart. Scheduling and mundane tasks bore you. You can frequently be found day dreaming and would actually prefer fantasy over reality. While you seek cultural events and luxury, you do not put yourself out to serve humanity. Many inventors claim purple as their favorite color.

**BROWN**

If you like brown, you are likely to be seen as stable and unchanging. You are self disciplined, conscientious, and dependable. You like the rugged outdoors and the ultra natural. You are warm, comfortable, intimate, and accepting.

**BLACK**

If you like black, you are sophisticated, mysterious, and dramatic. You are dignified and keep to yourself. You may be unhappy with how things are, but aren't quite certain how you can change existing circumstances. A young child who chooses black exclusively may be depressed.

**WHITE**

If you like white you expect to be happy most of the time. Your personality is light, good, and pure. You have a sense of innocence about you. You seek perfection and expect others to do the same, which sometimes makes you appear cold.
