## STRUCTURAL VERSUS DECORATIVE DESIGN

1. Using magazines, find large, clear pictures illustrating the following examples of design:
  - a. structural/decorative building
  - b. structural/decorative room
  - c. structural/decorative furniture
2. Mount each picture on one side of a sheet of paper.
3. Using professional lettering and presentation methods discussed in class, label each picture with the appropriate title.
4. Place these pictures in the correct order, as listed. Attach this sheet on top.
5. Neatness and presentation are important.
