HOUSING INTERVIEW FORM

DIRECTIONS: Interview a person who has recently purchased a house or condominium.

1. What made you decide to move from your former residence?

2. How many different houses did you look at before deciding on this one?

3. How does this house meet your family's needs?

4. Why did you select this neighborhood and location?

5. Have you found any problems with this house that you didn't know existed?

6. What type of financing did you use to purchase the house?

7. Was it difficult to find a house that met your needs and your budget?

8. Does your family have any special needs for housing (animals, recreational vehicles, fenced yard, handicapping conditions, etc.)?

9. What advice would you give to people that want to buy a house?
