

March Highlights

eMedia highlights Woman's History Month and the Centennial of the 1918 Influenza Pandemic! Take a look at some of our related programs below. Discover many more by going to onlinelibrary.uen.org and clicking on eMedia.

SECRETS OF THE FLU

9th - 12th Grade

No flu ever struck with such lethal power as the Spanish Flu in 1918, which rivals the Black Death.

BILL NYE THE SCIENCE GUY: GERMS

7th - 12th Grade

Bill uses foam models to illustrate the various types of germs and how they function.

UTAH WOMEN & EDUCATION FORUM

10th - 12th Grade

Dr. Madsen shares key findings from a statewide study conducted by Utah Women & Education Project researchers.

WOMEN AND TECHNOLOGY

6th - 12th Grade

We discuss why women in technology are at an all time low and what we can do to change that.
