

UIMC Teacher Evaluations

Please follow the directions below to evaluate your assigned media. Please complete these directions for each title you are assigned.

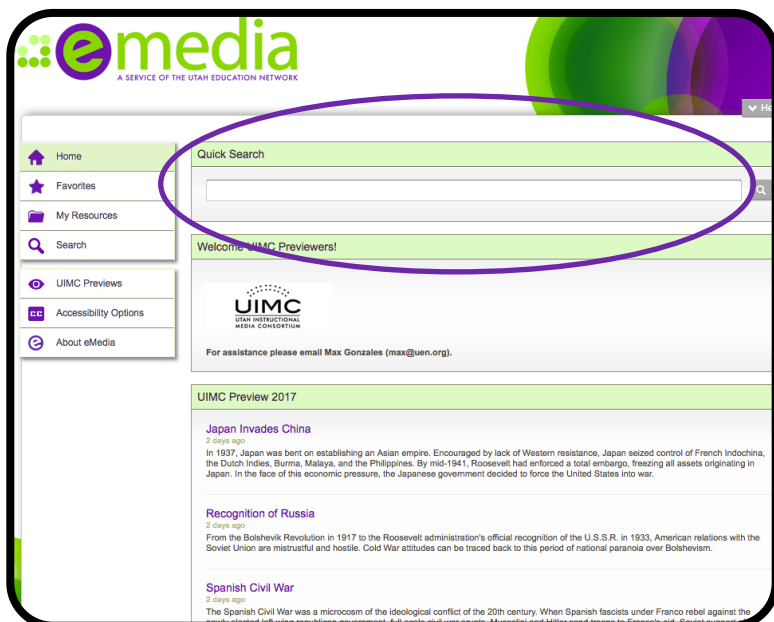

STEP 1

Go to eq.uen.org/emedial/home.do and log in with the following credentials:

Username: UIMC

Password: 2017review

STEP 2

Type in your assigned title into the "Quick Search" bar. Assigned title information can be found on the spreadsheet entitled "Teacher Evaluation Info Sheet." This spreadsheet should have been given to you with these directions. If not you did not received this spreadsheet, e-mail max@uen.org.

The screenshot shows the eMedia website interface. At the top left is the eMedia logo with the tagline 'A SERVICE OF THE UTAH EDUCATION NETWORK'. The main content area features a video player titled 'Japan Invades China' with a play button and a progress bar. To the right of the video player is a 'SUBMIT EVALUATION' button, which is circled in purple. Below the video player is a text description of the video content. On the right side of the page, there are several metadata fields: Evaluation Code (JT9EA), Media Type (Video), Duration (17min 09sec), Series (Road to World War II Series), Grade Levels (7|8|9|10|11|12), Created By (New Dimension Media), and Copyright (2015).

STEP 3

Watch your assigned title and click "Submit Evaluation."

The screenshot shows the 'Media Evaluation' form. At the top left is the title 'Media Evaluation' and at the top right is the UIMC logo. Below the title is a table with the following information:

Evaluation Code:	JT9EA	Copyright:	2015-01-01
Title:	Road to World War II Series: Japan Invades China	Length:	0:25
Description:	In 1937, Japan was bent on establishing an Asian empire. Encouraged by lack of Western resistance, Japan seized control of French Indochina, the Dutch Indies, Burma, Malaya, and the Philippines. By mid-1941, Roosevelt had enforced a total embargo, freezing all assets originating in Japan. In the face of this economic pressure, the Japanese government decided to force the United States into war.		

Below the table are instructions and a 'Your Information' section with fields for Name and School/District. The main part of the form consists of four rating scales, each with a blue box indicating the current rating (2):

- Content Integrity:** 2. Concepts and information are timely and accurate.
- Alignment with Standards:** 2. Content has direct correlation to K-12 standards.
- Learning Process:** 2. Content encourages higher-level thinking, reflection, discussion, analysis.
- Equity:** 2. Content is culturally balanced and responsibly represents diversity.

STEP 4

Complete the evaluation form and click "Submit Evaluation" at the bottom of the form.

Note: After you submit the evaluation, you will see a note about entering an evaluation code. Please ignore this note. To evaluate another title, go back to the website found on Step 1.
