

Countries and Continents

Athletes from all over the world come together to compete in the Olympic Winter Games and the Paralympic Winter Games. Look at the country list below. Use maps and globes to help find which country is found in each of the continents.

- ▶ Draw a line from each country to its continent.
- ▶ Put a star by the countries that participate in the Olympic Winter Games.
- ▶ Check your answers by referring to <http://www.uen.org/SLC2002/body-continent.cgi>

Why do you think so many European countries participate in the Olympic Winter Games?

COUNTRY

- | | |
|---------------------------|--------------------|
