Kitchen Needs Presentation Board

Directions:

Using the floor plan that you created for your Kitchen Needs Design assignment, create a presentation board exhibiting the elements that you would use in that kitchen. Your board must include the following:

- 3 magazine pictures depicting items found in the kitchen
- 3 interior samples showing colors, textures, patterns, etc...used in the room
- Kitchen Needs Design (floor plan) taped to the back

All samples & pictures must be labeled accurately and neatly (black ink, block letters). Your display board must also be labeled with a title.
