# Tally Them Up!

Which coin is which? Roll your money cube 25 times. Put a tally mark in the correct box to show which coin you roll each time. Then, count up your tally marks.

Coin	Tally Marks	Total
<u>p</u> enny		
<u>n</u> ickel		
<u>d</u> ime		
<u>q</u> uarter		

Which coin did you roll the most? \_\_\_\_\_

Which coin did you roll the least? \_\_\_\_\_

Which coin are you more likely to roll? \_\_\_\_\_

Which coin are you less likely to roll? \_\_\_\_\_

Are you equally likely to roll any coins? = \_\_\_\_\_
