<b>Summary:</b> There are many things to consider when discussing honeymoons. Most people are concerned about the cost, where they will go, what they will do, and what to take on the honeymoon. All factors are variable but one. The essential ingredient of a successful honeymoon is a sense of humor. There are bound to be embarrassing and funny mishaps while on a honeymoon. The purpose is to get to know one another. Seeing things in perspective with a sense of humor will greatly aid this process.
