

Dear Parents,

Beginning on _____, we will be starting our unit on Community Helpers. As a part of our unit we will be talking and learning about different occupations. You (or someone you know) are invited to come in and do a short presentation to our class about what you do at your job. This is an exciting opportunity for your children to share you with their classmates.

If you would like to come to our class (taking 10-15 minutes) to share a little about your occupation, **please fill out the attached form and return it to school with your child as soon as possible.** Try to bring things that the children can see, hear, or touch to help us better understand your occupation (ie: if you are a plumber bring some tools, if you work in an office, bring some office supplies, if you are a server wear your uniform and bring a menu, doctor or nurse bring x-rays or stethoscope, etc). If I can be of any help to your presentation, please let me know.

Please try to work out a time with your employers so that you can come. I will send a note home to confirm the date and time with you. We will be working on this unit from _____. Thank you so much for your continued support and help with this unit of study!

Sincerely,

I would like to participate in this unit.
