column

Taylor Swift : Crazy Lyrics

I've never gone with the wind
Just let it flow
Let it take me where it wants to
go
Till you open the door
There's so much more
I've never seen it before

I was trying to fly
But I couldn't find wings
Then you came along
And you changed everything

You lift my feet off the ground
Spin me around
You make me crazier, crazier
Feels like I'm falling and I
I'm lost in your eyes
You make me crazier,
Crazier, crazier

Watched from a distance as you
Made life your own
Every sky was your own kind of
blue
And I wanted to know
How that would feel
And you made it so real

You showed me something that I
couldn't see

Opened my eyes and you made
me believe

You lift my feet off the ground
Spin me around
You make me crazier, crazier
Feels like I'm falling and I
I'm lost in your eyes
You make me crazier,
Crazier, crazier, oh

Baby, you showed me what
living is for
I don't want to hide anymore

You lift my feet off the ground
You spin me around
You make me crazier, crazier
Feels like I'm falling and I
I'm lost in your eyes
You make me crazier,
Crazier, crazier
Crazier, crazier
