VOCABULARY CAREER PLANNING Teacher Key

1. **Job:** an employment position obtained mainly to earn money.
2. **Career:** a commitment to a profession which requires continued training and offers a clear path for occupational growth.
3. **Human capital:** skills (education and on the job training) acquired through a process of self investment. This concept views a human being like a piece of capital in the sense that investments increase future productivity.
4. **Value:** A fundamental belief or practice about what is desirable, worthwhile, and important to an individual.
5. **Need:** Something thought to be a necessity.
6. **Want:** Something unnecessary but desired.
7. **Goal:** Defined as the end result of something a person intends to acquire, achieve, do, reach, or accomplish sometime in the near or distant future.
