A decorative graphic on the left side of the slide featuring three balloons: a green one at the top, a light blue one in the middle, and a purple one at the bottom. Each balloon has a streamer and several small yellow triangular flags attached to it.

# **Baby Price is Right**

# Do the costs outweigh the benefits of being a parent?

- Financial obligations begin before a child is born.
- Insurance is a must.
- Children are elf-centered and demanding.
- Children have an impact on the marital relationship.

# **Cost of Baby for 1 year**

## **Handout**

**You must figure out the items you would need for one year, the quantities and the cost of each.**

The background features several large, stylized, overlapping swirls in light green, light purple, and light blue. Scattered throughout are numerous small, yellow, starburst-like shapes, some of which are larger and more prominent than others, creating a festive and dynamic feel.
