Harmony Quilt Block

Directions:

Utilizing all three pieces of colored paper given to you, create an 8.5-inch square quilt block.

FOLLOW EACH DIRECTION CLOSELY! Use the square piece of paper provided as the background of your block.

Step 1: Get a square piece of paper from the teacher.

Step 2: PENCIL in a one-inch border around the outside of your block. This is a border—do not put anything in the border.

Step 3: Using all three colors of paper, create a block design. The pieces in your block must be three inches or smaller!

Step 4: Fill the entire block inside the border—no background color should be visible except in the border.

Step 5: Glue your block together taking caution in using good presentation techniques.

Step 6: Using one small piece of tape, tape your assignment sheet to the back of your block and hand it in.
