

IDEAS TO IMPROVE CHILD CARE

- 40% high turnover rate is due to low pay and disrupts a child's life and bonding. Some states subsidize pay. Utah has career ladder money to subsidize and motivate long term employment.
- An early childcare team went out to help Washington D. C. meet standards.
- Workshop on wheels lets day cares check out books, toys, and supplies.
- Some states require 10 hours in-service training.
- Locate Day cares near schools to provide after school care.
- Tax credits for families earning low income.
- Preschool training for at risk children
- Tax money used for child care.
- Referral systems set up in some states.
- Tax money for training and creating new centers.
- Businesses raise money and taxes match that money to help subsidize child care.
