

# Interior Design

## Unit Two Notes--Shape & Form

### **Space**

- **The area a designer works with.**
- **Negative Space**
  - **Empty space**
  - **EXAMPLE: the area under the desk**
- **Positive Space**
  - **Filled space**
  - **EXAMPLE: the desk**
- **All rooms should have a balance of both positive and negative space.**
- **To create an illusion of spaciousness, or to make a room appear larger than it actually is, use mirrors.**
