

Relationship between Values and Refusal Skills

Summary

During a classroom PowerPoint presentation, activities, and discussion the students will discuss the relationship between values and refusal skills.

Main Core Tie

Adult Roles And Responsibilities

[Strand 3 Standard 2](#)

Background for Teachers

Read through the lesson materials to make sure that needed materials are available, and to know if prior preparation is needed.

Student Prior Knowledge

Students will have knowledge about values and refusal skills from previous courses.

Intended Learning Outcomes

The students will identify refusal skills and define personal values. They will also be able to explain the relationship between values and refusal skills.

Instructional Procedures

Journal, Text, Activities, Unit Notes and Discussion. I have included my lesson plans as an attachment. This lesson plan is developed for a 90 minute class. Please delete or add activities and information to fit your time frame.
