Instructional Procedures
Introduction:
What are the new fashions this year? What do you see?
Go over the power point "First Impressions"
Have students take out a scratch piece of paper and write their first impression for each slide. Discuss the impressions we can make by wearing clothing and how we portray ourselves to others. Talk about how long it takes to make a first impression.

Pass out the handout "Why we wear clothes" Discuss with students the 5 reasons we wear clothes. Pass out pictures of clothing from magazines. Have students stand in 5 places in the room to represent the 5 reasons why we wear clothes. Each student will show their picture and explain why they chose that reason.

Students will fill out their back side of their handout by drawing an example or finding a picture of each reason why we wear clothing.
