Main Core Tie

Science - Biology

[Standard 2 Objective 1](#)

Time Frame

1 class periods of 60 minutes each

Group Size

Individual

Materials

- [student bingo sheet](#)
(attached)
- scrap paper to rip up and make game pieces

Student Prior Knowledge

Student understand important vocabulary words from the unit .

Instructional Procedures

Pass out student sheets.

Have students choose 16 vocabulary words and fill them in on their boards.

Tell students to tear up 16 small piece of scratch paper to act as game board markers.

Ask students questions and do not tell them the answers, they must mark the correct space on their board. Ex. A biological catalyst.

Repeat several times, you may want to allow students to create and ask the questions.
