

# Cartoon Chemistry

## Summary

Students will compare characteristics of groups of elements on the periodic table. They will create a cartoon for a typical element of one group.

## Main Core Tie

Science - Chemistry

[Standard 1 Objective 3](#)

## Time Frame

1 class periods of 60 minutes each

## Group Size

Individual

## Materials

- [student sheet](#)  
(attached)  
paper  
colored pencils

## Instructional Procedures

Read introduction and directions with students.

Allow students time to fill in their data table and begin their cartoons. Collect some of the better cartoons (example below) and make overheads of them to show the next class.
