

# Narrated Slide Show

## Summary

The students will write a video narrative with how they can be safe doing certain activities and every day things.

## Main Core Tie

Health Education I (7-8)

[Strand 3: SAFETY AND DISEASE PREVENTION \(SDP\) Standard HI.SDP.2:](#)

## Time Frame

1 class periods of 60 minutes each

## Group Size

Pairs

## Materials

Videolicious

## Background for Teachers

Need to know how to use videolicious and know what safe behavior is.

## Student Prior Knowledge

The students to know what is consider safe behavior.

## Intended Learning Outcomes

identify unsafe behaviors in everyday activities

describe the consequences of unsafe behaviors in ever day activities.

## Instructional Procedures

Review what is unsafe behavior

Students need to write down activities they do everyday or once a week. (like taking a shower, mowing the lawn, washing dishes, babysitting, washing kitchen floor, vacuuming)

Teach them how to use videolicious

Find a partner

Write down four activities

Identify 4 safety behaviors for each of the activities.

Each activity needs a picture to go with it.

Need to put a videolcious that is about 1 min long.

The next class they will show their videolicious
