

Different kinds of child care

Summary

Lesson on different types of child care with power point presentation and accompanying handout to be filled in.

Main Core Tie

Early Childhood Education 1

[Strand 3 Standard 1](#)

Time Frame

1 class periods of 45 minutes each

Group Size

Large Groups

Life Skills

Employability

Materials

Power point presentation with work paper to go along with it.

Student Prior Knowledge

Students with experience in the child care field will probably know some of the different types of child care available. Most students will have very little awareness of this.

Intended Learning Outcomes

Students will be able to identify the different types of day care and the pros and cons of each. They will be able to compare the several different types.

Instructional Procedures

See background for teacher

Assessment Plan

In small groups students will attach to the wall the different aspects of several different types of child care facilities.

Educators:
