

Fashion History

Summary

The students will view a PowerPoint presentation on fashion history and take notes on what they learn. They will then pick a fashion era and prepare a presentation on that era.

Time Frame

1 class periods of 45 minutes each

Instructional Procedures

Today's fashion is influenced by the fashions of the past.

The PowerPoint presentation will take up to 20 minutes, depending on how much time is spent in each era.

1. Students need to take brief notes on the notetaker worksheet.
2. After the PowerPoint presentation, discuss how today's clothing has been influenced by clothing of previous eras.
3. The students will be assigned to get into groups and pick a specific era to research and then prepare a 5-minute presentation.
4. The rest of class is spent on choosing eras and preparing for presentations.
