

# Insurance: Your Protection

## Summary

This unit is intended to help students understand the importance of avoiding, reducing, and transferring risk. Insurance is the best way to manage risk. (Correlates with NEFE).

## Main Core Tie

General Financial Literacy

[Strand 4 Standard 4](#)

## Life Skills

Thinking & Reasoning, Social & Civic Responsibility

## Materials

Students will each need a copy of the learning log. The PowerPoint can be printed and used as a handout or projected with a LCD projector.

## Student Prior Knowledge

No prior knowledge is needed for this lesson. The PowerPoint gives students the knowledge they need for the activity.

## Intended Learning Outcomes

By the conclusion of this unit, students will be familiar with the different types of insurance and ways they will benefit from it. They will understand where to get coverage, how much to have, and how to keep premiums down.

## Instructional Procedures

The attachments provided are the shell of this unit. The PowerPoint is played throughout the coverage of the content and the listening and learning log contains the activities.
