Intended Learning Outcomes

After a review, students will create porfolios of basic fashion terms.

Instructional Procedures

Day One
1. Display the fashion terms on the overhead; quickly define and talk about each one. The students already will know some of the fashion terms. (5-10 min.)
2. Pass out the bingo cards. The students will fill in their cards with the terms and then play bingo by reading off the definitions. (20 min.)
3. For the next two days,the assignment will be to use class time to find pictures that represent the basic fashion terms. The pictures must be matted and have paragraphs explaining how the picture relates to the fashion term. Students will also write the fashion term on each page. Overall it should appear neat. The pictures will go into their portfolios after being graded.
Day two: work on the portfolio.
Day three: work on the portfolio and turn in the assignment.
