Instantly generate tailored multiple-choice questions with help from AI

Save Time: Instantly generate multiple-choice questions, freeing up valuable time to focus on instruction.

Boost Engagement: Deliver interactive and gamified experiences to make learning engaging and effective.

Capture student insights: Easily implement routine formative assessments for in-the-moment learning insights.

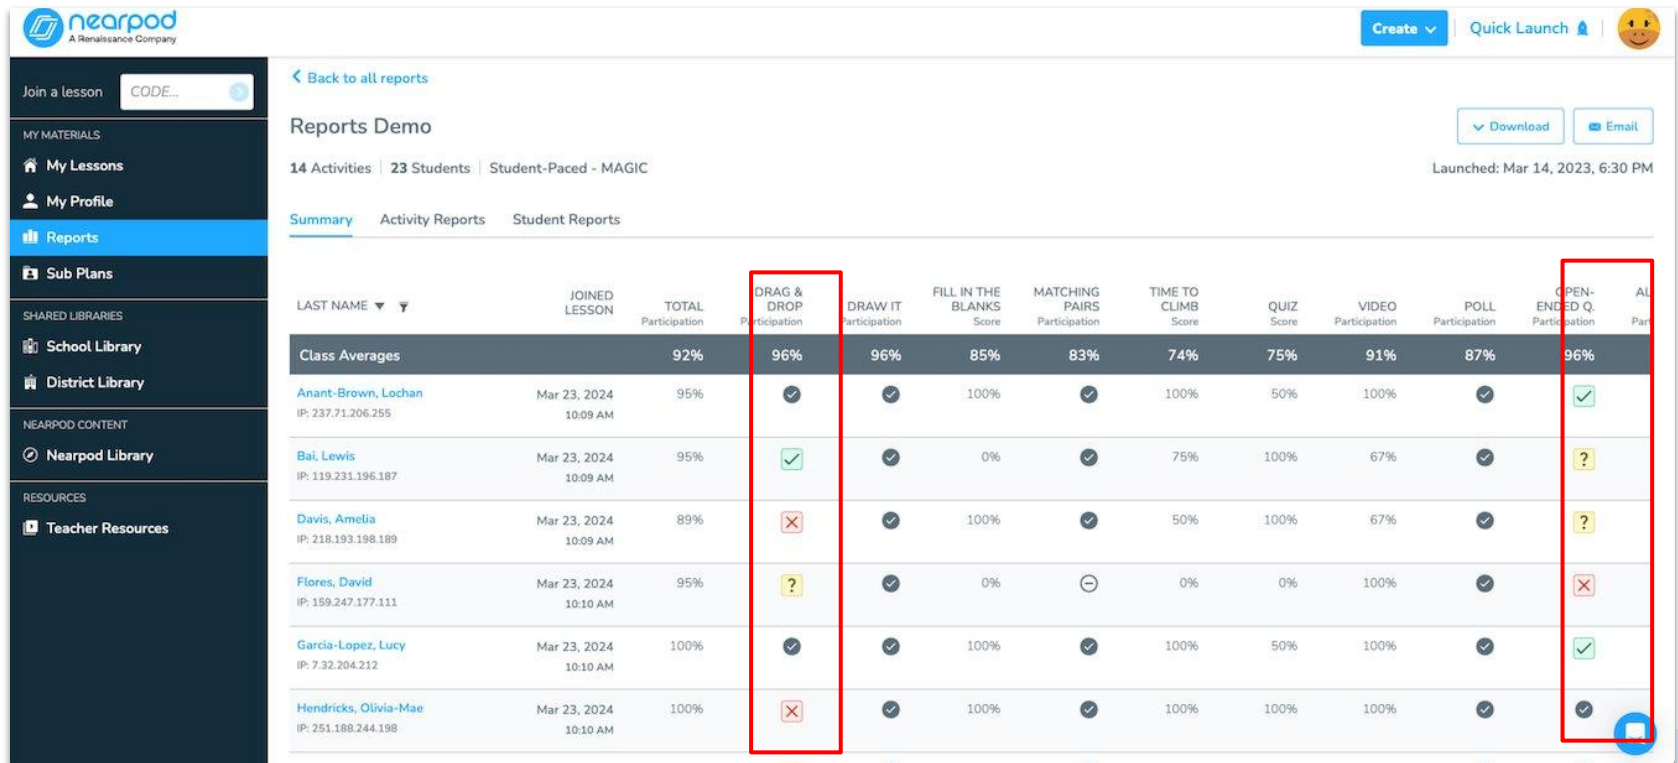

The screenshot displays the Nearpod AI Create interface. At the top, there's a header with 'Details', '0 MB of 250 MB', and buttons for 'Share', 'Preview Lesson', and 'Save & Exit'. The main area is titled 'Let us help you create multiple choice questions' with a 'Beta' badge. Below this, there's a section 'Create questions about...' with a text input field containing 'capitalization and punctuation for third graders using an outer space theme' and a character count of '437'. To the left of this input field are 'Example prompts' such as 'Tier III vocab about Ancient Egypt at a 5th grade reading level'. Below the input field are two radio buttons: 'Standard Multiple Choice' (selected) and 'Time to Climb Quiz Game'. At the bottom of the main area is a 'Re-create questions' button. On the right side, there's a panel titled 'Select the questions you want to use.' with the instruction 'You can edit the questions in the next step.' and '2 of 10 questions selected'. It lists two questions: 'In the sentence 'the stars twinkled brightly in the night sky', which word should be capitalized?' with options 'stars', 'twinkled', 'brightly', and 'The' (selected); and 'Which of the following sentences is punctuated correctly?' with options 'Look at the planets', 'Look at the planets?', 'Look at the planets!', and 'Look at the planets.' (selected). At the bottom of the right panel, there's a 'True or False' question: 'The sentence 'the moon is full' needs a period at the end.' with 'True' selected. A 'Save and edit questions' button is at the bottom right.

The screenshot displays the Nearpod interface for Post-Session Reports. The left sidebar contains navigation options: Join a lesson, MY MATERIALS (My Lessons, My Profile), Reports (highlighted), Sub Plans, SHARED LIBRARIES (School Library, District Library), NEARPOD CONTENT (Nearpod Library), and RESOURCES (Teacher Resources). The main content area shows a report for 'Reports Demo' with 14 Activities, 23 Students, and Student-Paced - MAGIC. The report was launched on Mar 14, 2023, at 6:30 PM. The 'Summary' tab is selected, showing a table of student performance. The table has columns for LAST NAME, JOINED LESSON, TOTAL Participation, DRAG & DROP Participation, DRAW IT Participation, FILL IN THE BLANKS Score, MATCHING PAIRS Participation, TIME TO CLIMB Score, QUIZ Score, VIDEO Participation, POLL Participation, OPEN-ENDED Q. Participation, and ALL Participation. The table lists Class Averages and individual student performance for six students. Two red boxes highlight the 'DRAG & DROP' and 'OPEN-ENDED Q.' columns.

The screenshot displays the Nearpod interface for Post-Session Reports. The left sidebar contains navigation options: Join a lesson, MY MATERIALS (My Lessons, My Profile, Reports, Sub Plans), SHARED LIBRARIES (School Library, District Library), NEARPOD CONTENT (Nearpod Library), and RESOURCES (Teacher Resources). The main content area is titled 'Post-Session Reports' and includes a search bar. Below the search bar, there are two report cards. The first card, 'testing lesson' by Holly Odom, shows a list of four sessions. Each session row includes a date and time, the number of students (1 Student), the session type (Student-Paced), and icons for editing and deleting the report. A red rectangular box highlights the delete icons for all four sessions. The second report card, 'Testing Lesson' by Holly Odom, shows a single session. A chat icon is visible in the bottom right corner of the interface.
