UWAG Meeting - 9/28/2023 2:00pm
Agenda

- Welcome, chair introductions

- Training ideas

    - Keith's idea: Building WLAN ToolKit: Devin Akin has a 2-day course on WLAN troubleshooting with only WiFiExplorer pro
    - Dixie Tech could host this event, depending on the time of year.

- Discussion item: Potential Ekahau replacements

    - Keith: Hamina/NetAlly/SIDOS

- Amanda: ask about sourcing APs to be used in the eduroam2go project for sites

- Ideas, feedback, and comments for future meetings.
