

Notes for Duplicating the Tobacco on Trial Student Workbook

Teacher Notes

The Tobacco on Trial Student Workbook which follows is arranged so it can be duplicated and folded into a booklet.

1. Duplicate the pages in the order they are in this book.
2. Duplicate two sided.
3. Flip on short edge (your printer will know what this means)
4. There will be a total of seven 8 1/2 X 11 pages.
5. Stack the pages and fold them into a booklet.
6. When folded into a booklet, each student book will have 25 pages and a cover.
7. When properly stacked and folded, page one starts after the cover page and continues in sequence through page 25.
