New Series and Programs

Lucky Chow

Fridays at 5:30 p.m. beginning Feb. 12

Explore Asian cuisine's impact on American food culture while meeting a new generation of chefs.

Barney's Barrier Reef

Fridays at 4 p.m. beginning Feb. 19

Dive into the incredible world of the Great Barrier reef, the world's largest coral reef ecosystem. This children's series explores the lives of watery critters and their surroundings, from super-sighted shrimp to trash-eating tiger sharks, thriving as a whole in a web of life. We see how they defend themselves, get around, interact, obtain food and much, much more.

Practicing Peace with Burt Wolf

Thursday, Feb. at 9 p.m.

In this program, Burt looks at some of the Nobel Peace Prize winners and talks to Prem Rawat about ancient and funny stories that can teach us how to practice peace in our own lives and in the world around us.

Reinventing Cuba

Thursday, Feb. 18 at 9 p.m.

Individuals who are pushing the boundaries of the island nation under communist rule are profiled.
