

UEN-TV Monthly Highlights - April 2019

Getting To Work

American GRADUATE™
Let's make it happen

Roadtrip Nation: Skill Powered

Thursday, April 11 at 9 p.m.

An exploration of the potential of vocational training in today's world. The roadtrippers are intrigued by skill-focused careers, but none of them have a set path planned - yet.

Cyberworks and the American Dream

Monday, April 15 at 9 p.m.

Look at the impact of robotics and artificial intelligence on the future of work. Since the Industrial Revolution, new technology has increased wealth, freedom and life expectancy. But it has also destroyed outdated businesses and automated jobs. How can the U.S. best prepare for the challenges of this new technological disruption?

Roadtrip Nation: Room to Grow

Mondays at 6 p.m., Thursdays at 11:30 p.m. and Saturdays at 1 p.m. beginning April 8

This new series travels Texas with high school students as they explore their local regions of the state, interviewing professionals and college students alike about the paths they've taken to get to where they are in life. With some big decisions approaching on the horizon, the roadtrippers learn to expand their comfort zones-and their own sense of what's possible.

Earth Day

One Carbon Footprint at a Time

Thursday, April 18 at 8 p.m.

University and middle school students enthusiastically engage in a wide range of climate change activities as part of the curriculum at their schools - from analyzing the clothes they choose to buy and wear, to the food they grow and eat, to the energy used to power their cell phones, hair dryers and electricity in their homes and the jobs and lifestyle changes they make after graduation - everyday actions play a critical and potentially inspirational role in impacting climate change.

Shadow of Drought: Southern California's Looming Water Crisis

Saturday, April 20 at 8 p.m.

While California recovers from the worst drought in state history, a myriad of impacts resulting from climate change threaten Southern California's imported water supply.

Blue Goes Green: Net Zero Police Station

Thursday, April 25 at 8 p.m.

If Cincinnati can do it, any city can! See how this "green" construction project improved police-community relations and saved taxpayer money.
