How to Earn a Utah Microcredential

A STEP-BY-STEP GUIDE

1. Open the MIDAS website and log in.

https://usbe.midaseducation.com/login

Your username is the email address that is on record for you in CACTUS.
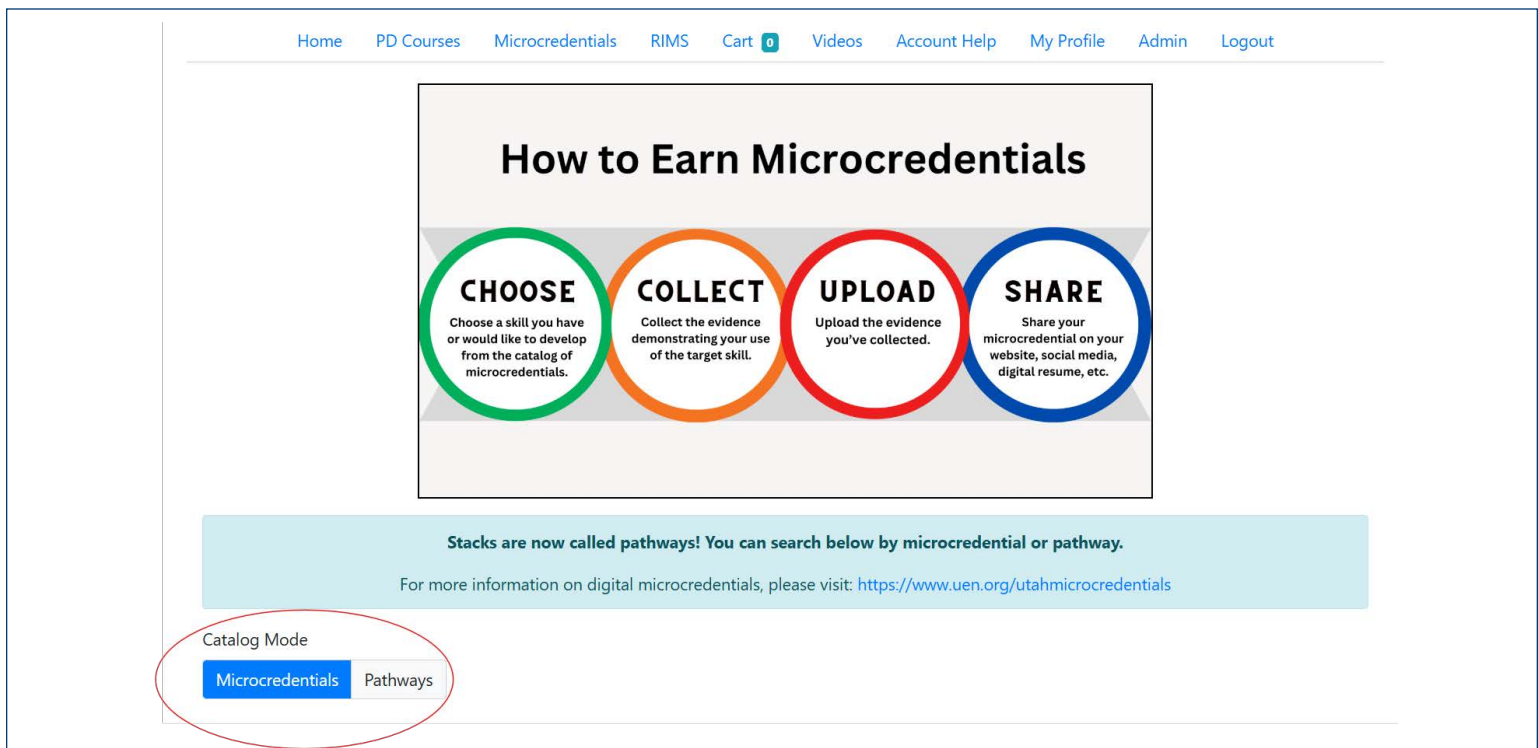

> If you can no longer access the email account on record for you in CACTUS, please contact the MIDAS Help Desk at either **MIDAS@schools.utah.gov** or 801-538-7807

2. Click on the Microcredentials tab to open the Microcredentials Catalog.

Home   PD Courses   Microcredentials   RIMS   Cart 0   Videos   Account Help   My Profile   Admin   Log Out
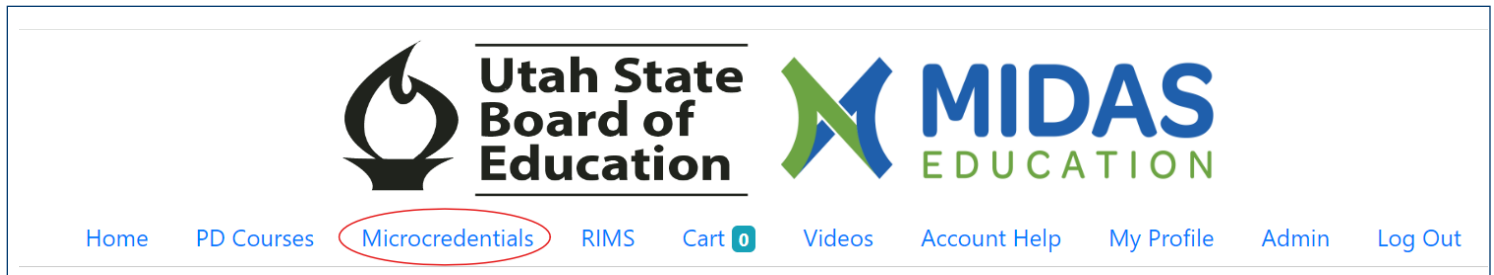

3. Browse through the Microcredentials Catalog.

Endorsements may require all microcredentials in a particular pathway or pathways.

Earn This Microcredential

This microcredential represents the skilled use of competence and reflect on their learning. (ISTE St

5. Submit evidence and reflections for your microcredential.

If you have left MIDAS before this step, log in again and click on "My Profile."

Home   PD Courses   Microcredentials   RIMS   Cart 0   Videos   Account Help   My Profile   Logout

Click on "microcredentials" on the left side menu. This will bring up the list of microcredentials you have selected to earn.

Click on the title of the microcredential you want to work on.

Digital Contribution Ed Tech Endorsement: Competency 4

This microcredential represents an educator's ability to a) create positive online experiences for students that foster responsible contribution and empathetic engagement, and b) guide students to develop a positive and responsible digital identity.

🗑 Remove Microcredential

Digital Safety Ed Tech Endorsement: Competency 4

This microcredential represents an educator's ability to a) empower students to

When the new page opens, you can either click on the blue "Submit Evidence & Reflections" link, or the blue number on the right of the screen showing the number of evidence and reflection items left to submit. Be sure you have read the microcredential requirements before uploading evidence.

🎖 Digital Contribution

← Back to My Microcredentials

This microcredential represents an educator's ability to a) create positive online experiences for students that foster responsible contribution and empathetic engagement, and b) guide students to develop a positive and responsible digital identity.
Submit Evidence & Reflections
Microcredential in Progress

0	5
Complete	Remaining

Use the blue "Submit Evidence" and "Submit Reflection" links to submit your evidence and reflections. Carefully read the requirements for each submission. MIDAS saves your work, so you can return as often as needed to work on evidence and reflections.

6. Submit your microcredential for review.

When you have all evidence and reflections added, click on the blue "Back to Microcredential Detail" link at the top of the Evidence and Reflections page.

The green bar will show 100% and the "Submit Evidence and Reflections" link will have switched to "Submit microcredential for Review." Click on this link to go to the payment screen and submit your microcredential for review.

Microcredentials are reviewed within two weeks of submission. **Plan in advance if you are working toward a deadline.**

Submit Microcredential For Review

100%

Preparation and Planning

Submit ONE of the evidence options below to demonstrate your effective preparation and planning for digital contribution instruction.

This evidence is required. You must submit the requested item

7. You will receive an email from MIDAS when your microcredential has been reviewed.

Click on the link in the email or log into MIDAS to see feedback on the microcredential.

You can see the feedback by clicking on the "summary" link.

Resubmit if your evidence or reflection is returned for revision.

⚙ Facilitating Learning Through On
