vs.

Hello Kitty  
Cafe

This is a tale of two mermaids with tiny tales.

There was a Hello Kitty Cafe next to the ocean where two mermaids named Luoli and Lily lived.

Luoli always wanted to visit the cafe next to the ocean. Meanwhile Lily wanted to visit the dress shop that was next to the Hello Kitty Cafe.

Luoli looked at Lily and Lily looked at Luoli at the same time they both said "oh look at the Hello Kitty Cafe". However Lily said the opposite "look at the dress shop".

“Lets go to the cafe”. Cried Luoli.

“No! Cried Lily

They both argued for 5 min. Luoli had seen some birds flying over the place before so she thought. "What if we let a bird to decide whichever side it pooped on we will go there".

The both of them wanted impatiently; then there came the mighty wise bird that decides their fate that noone and nothing can change.

So that wise mighty bird decided to poop in front of the Hello Kitty Cafe and sealed their fate with that.

“Ugh I hate you bird”. Cried Lily  
Luoli giggled “Ha Ha Ham”.

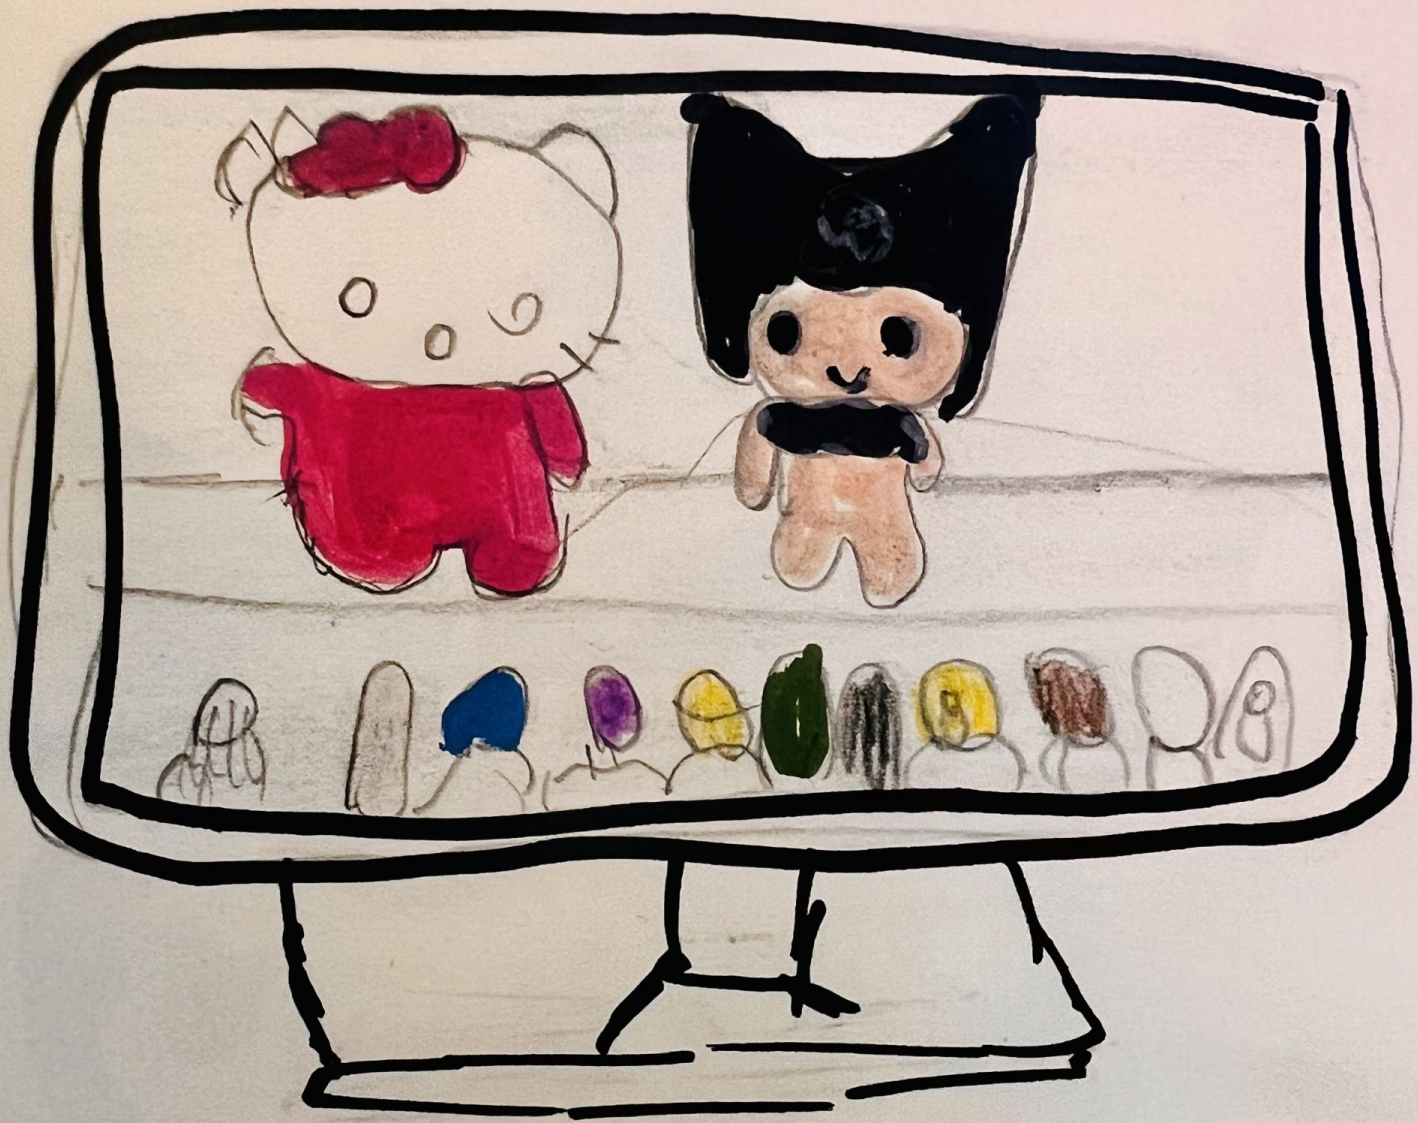

Luoli grasped Lily's hand and dashed towards the cafe. Inside they discovered their favorite scene unfolding before them.

The both of them said “woah” and run towards Hello Kitty and Kuromi. Lily hugged Hello Kitty and Luoli hugged Kuromi.

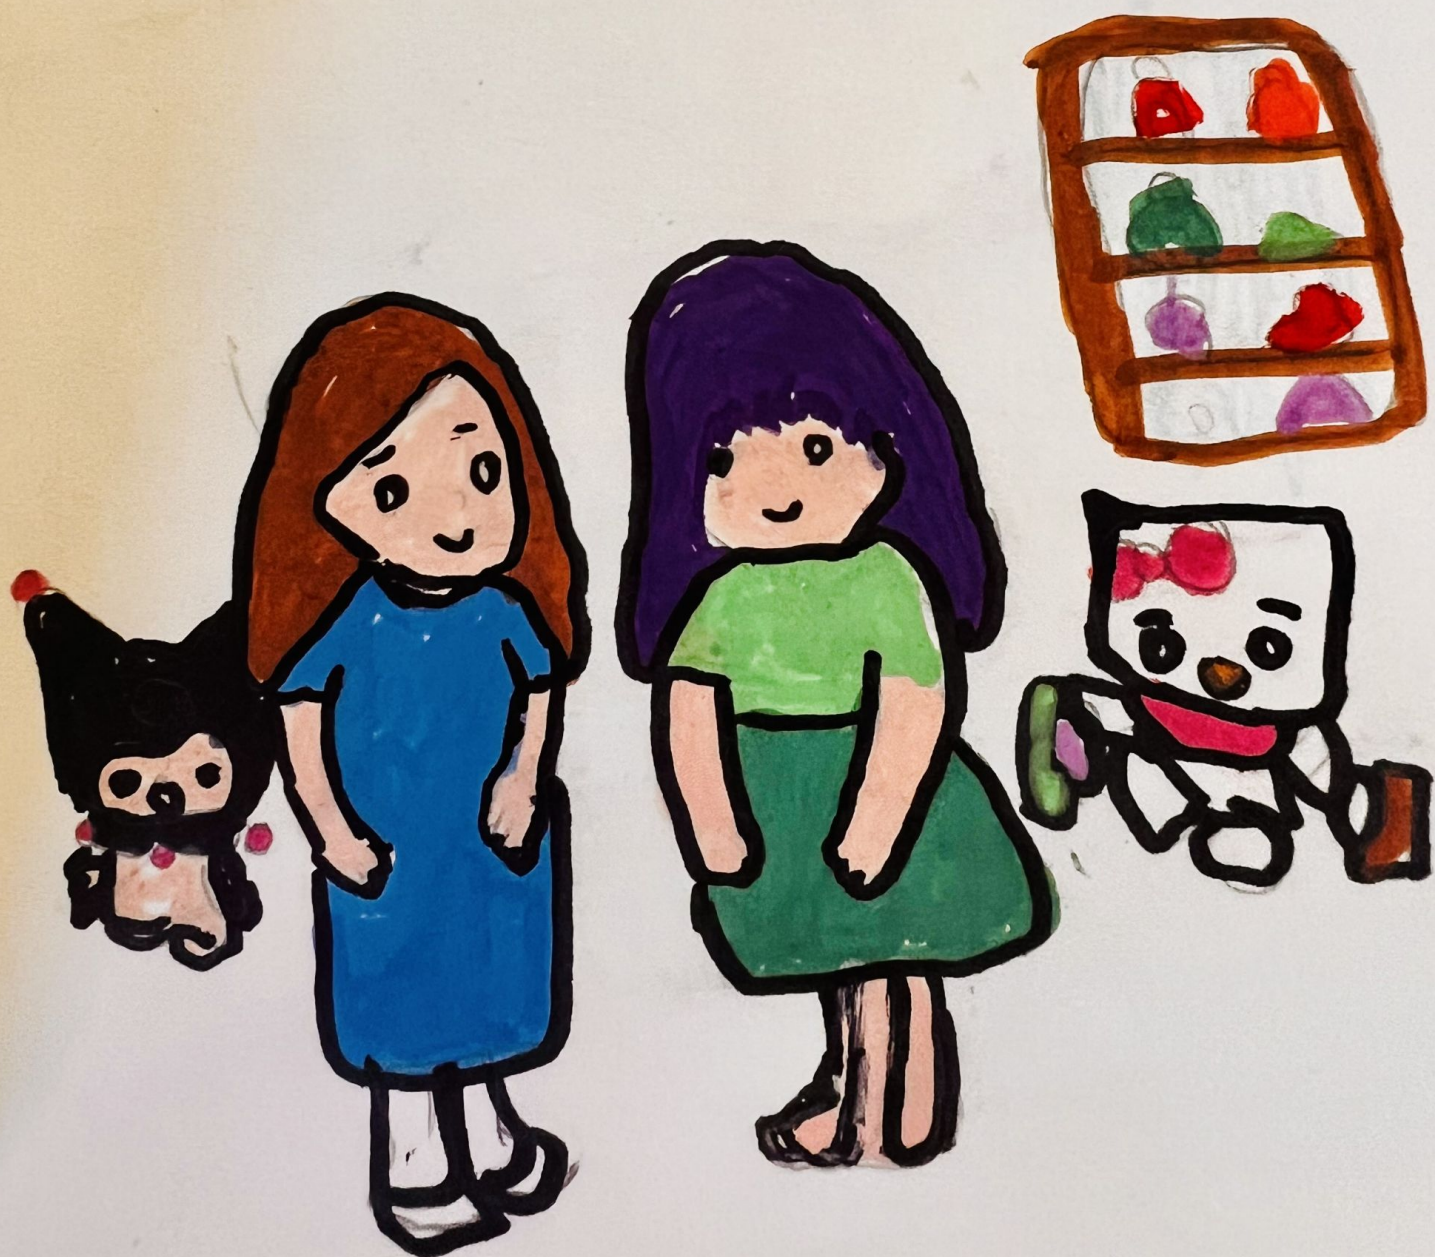

The four of them sat at a table. Luoli and Lily explained why they hugged them. “so when you guys were famous we saw the both of you in a TV show and we wanted to meet you Guys”. Said Luoli.

After some storytelling and drinking tea, Kuromi remembered that Lily wanted to visit the dress shop, so she asked Lily if she still wants to go there.

When Kuromi asked Lily she said “yes”. The four of them went inside the dress shop and got a lot of dresses. Kuromi and Hello Kitty told luoli and Lily that they decide to become a mermaid just like them.

Luoli and Lily used their Magic and turned both of them into Mermaids and went inside the ocean and lived Happily ever After.
