Mr. Sirius had a special gift he
could make wishes come
true!

In his town,lived a playful cat
named Oliver.

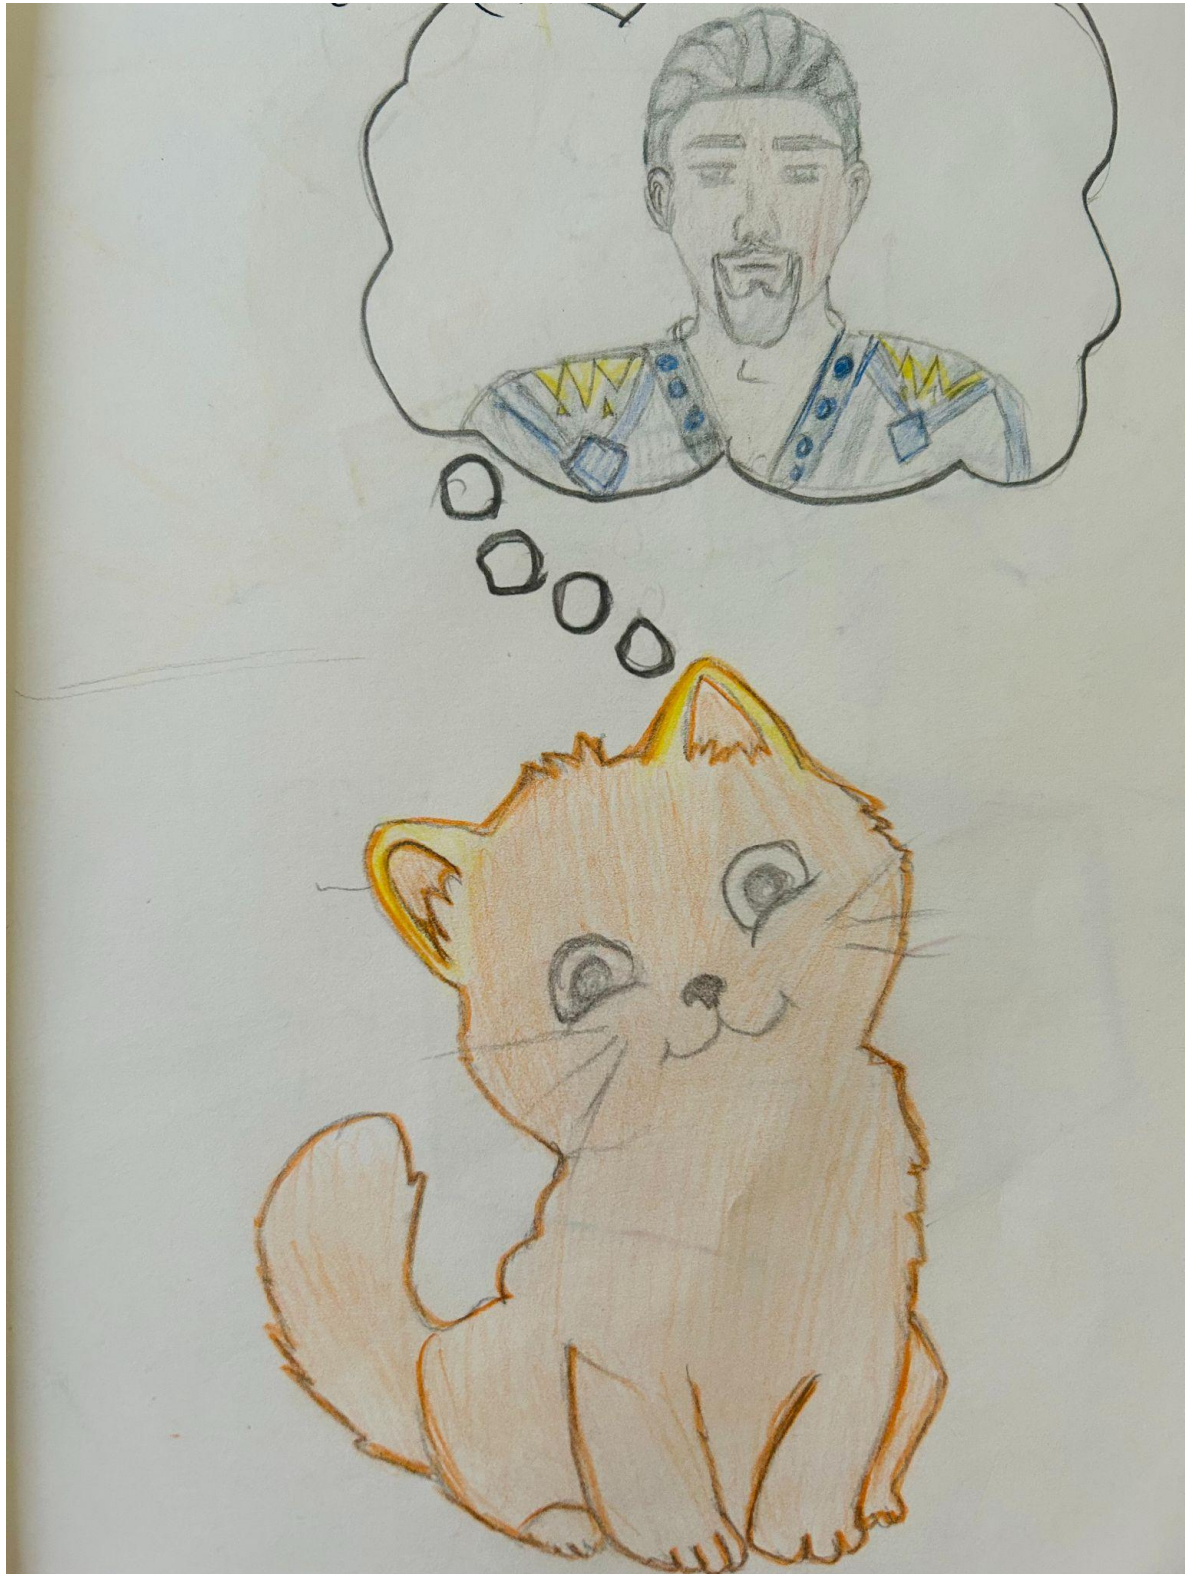

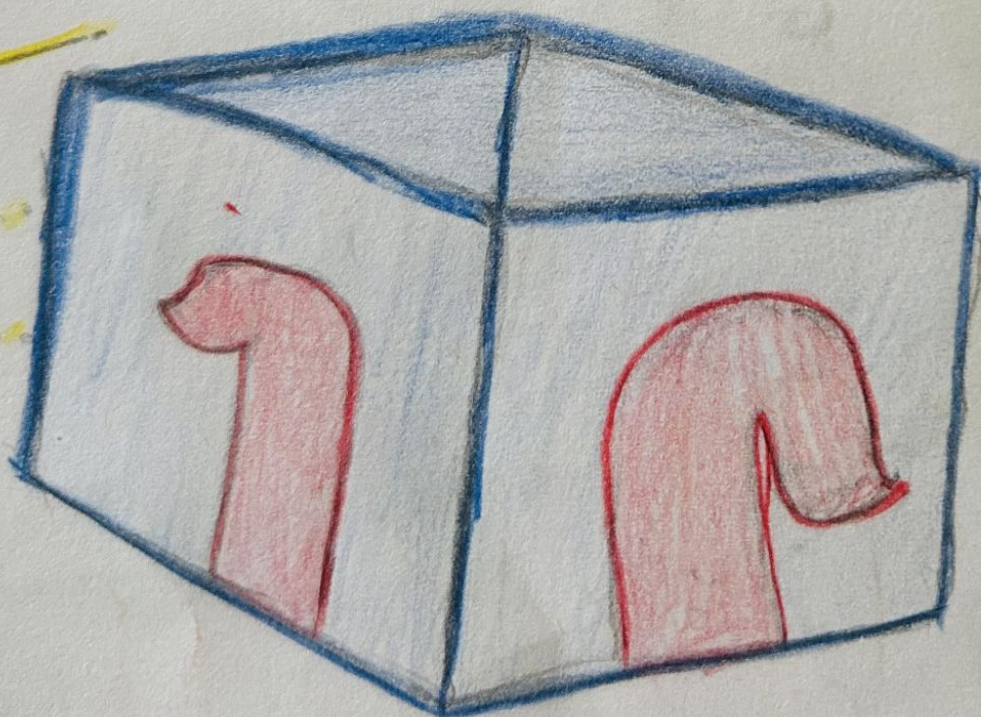

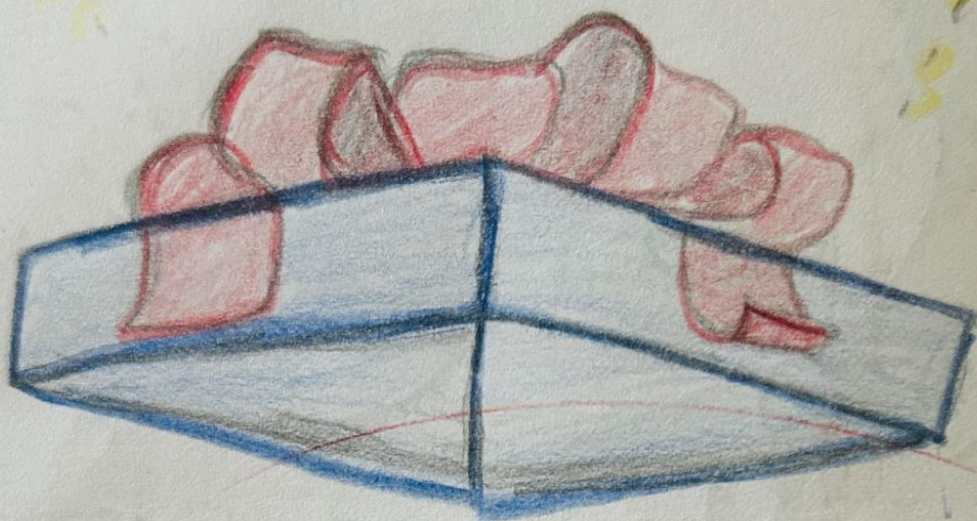

Oliver LOVED watching

I could become a butterfly”

Oliver Remembered hearing
about Mr.Sirus and his
magical gift.

So on that same day Oliver decided to visit Mr. Sirius hoping that he would help him make his wish come true.

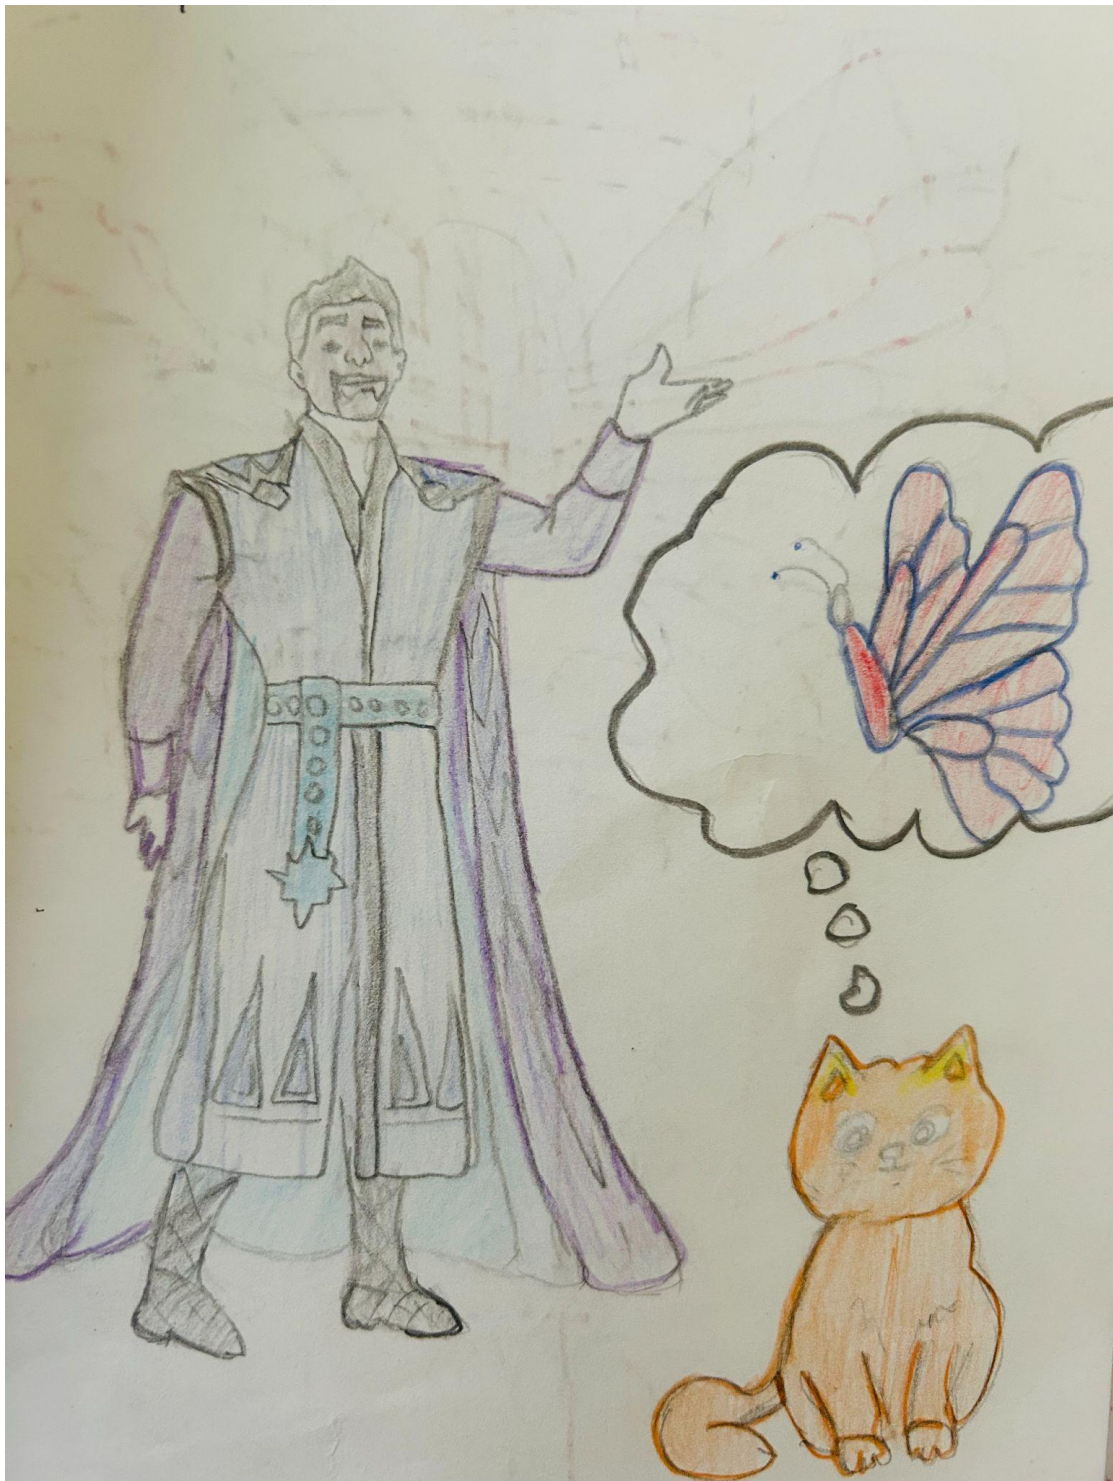

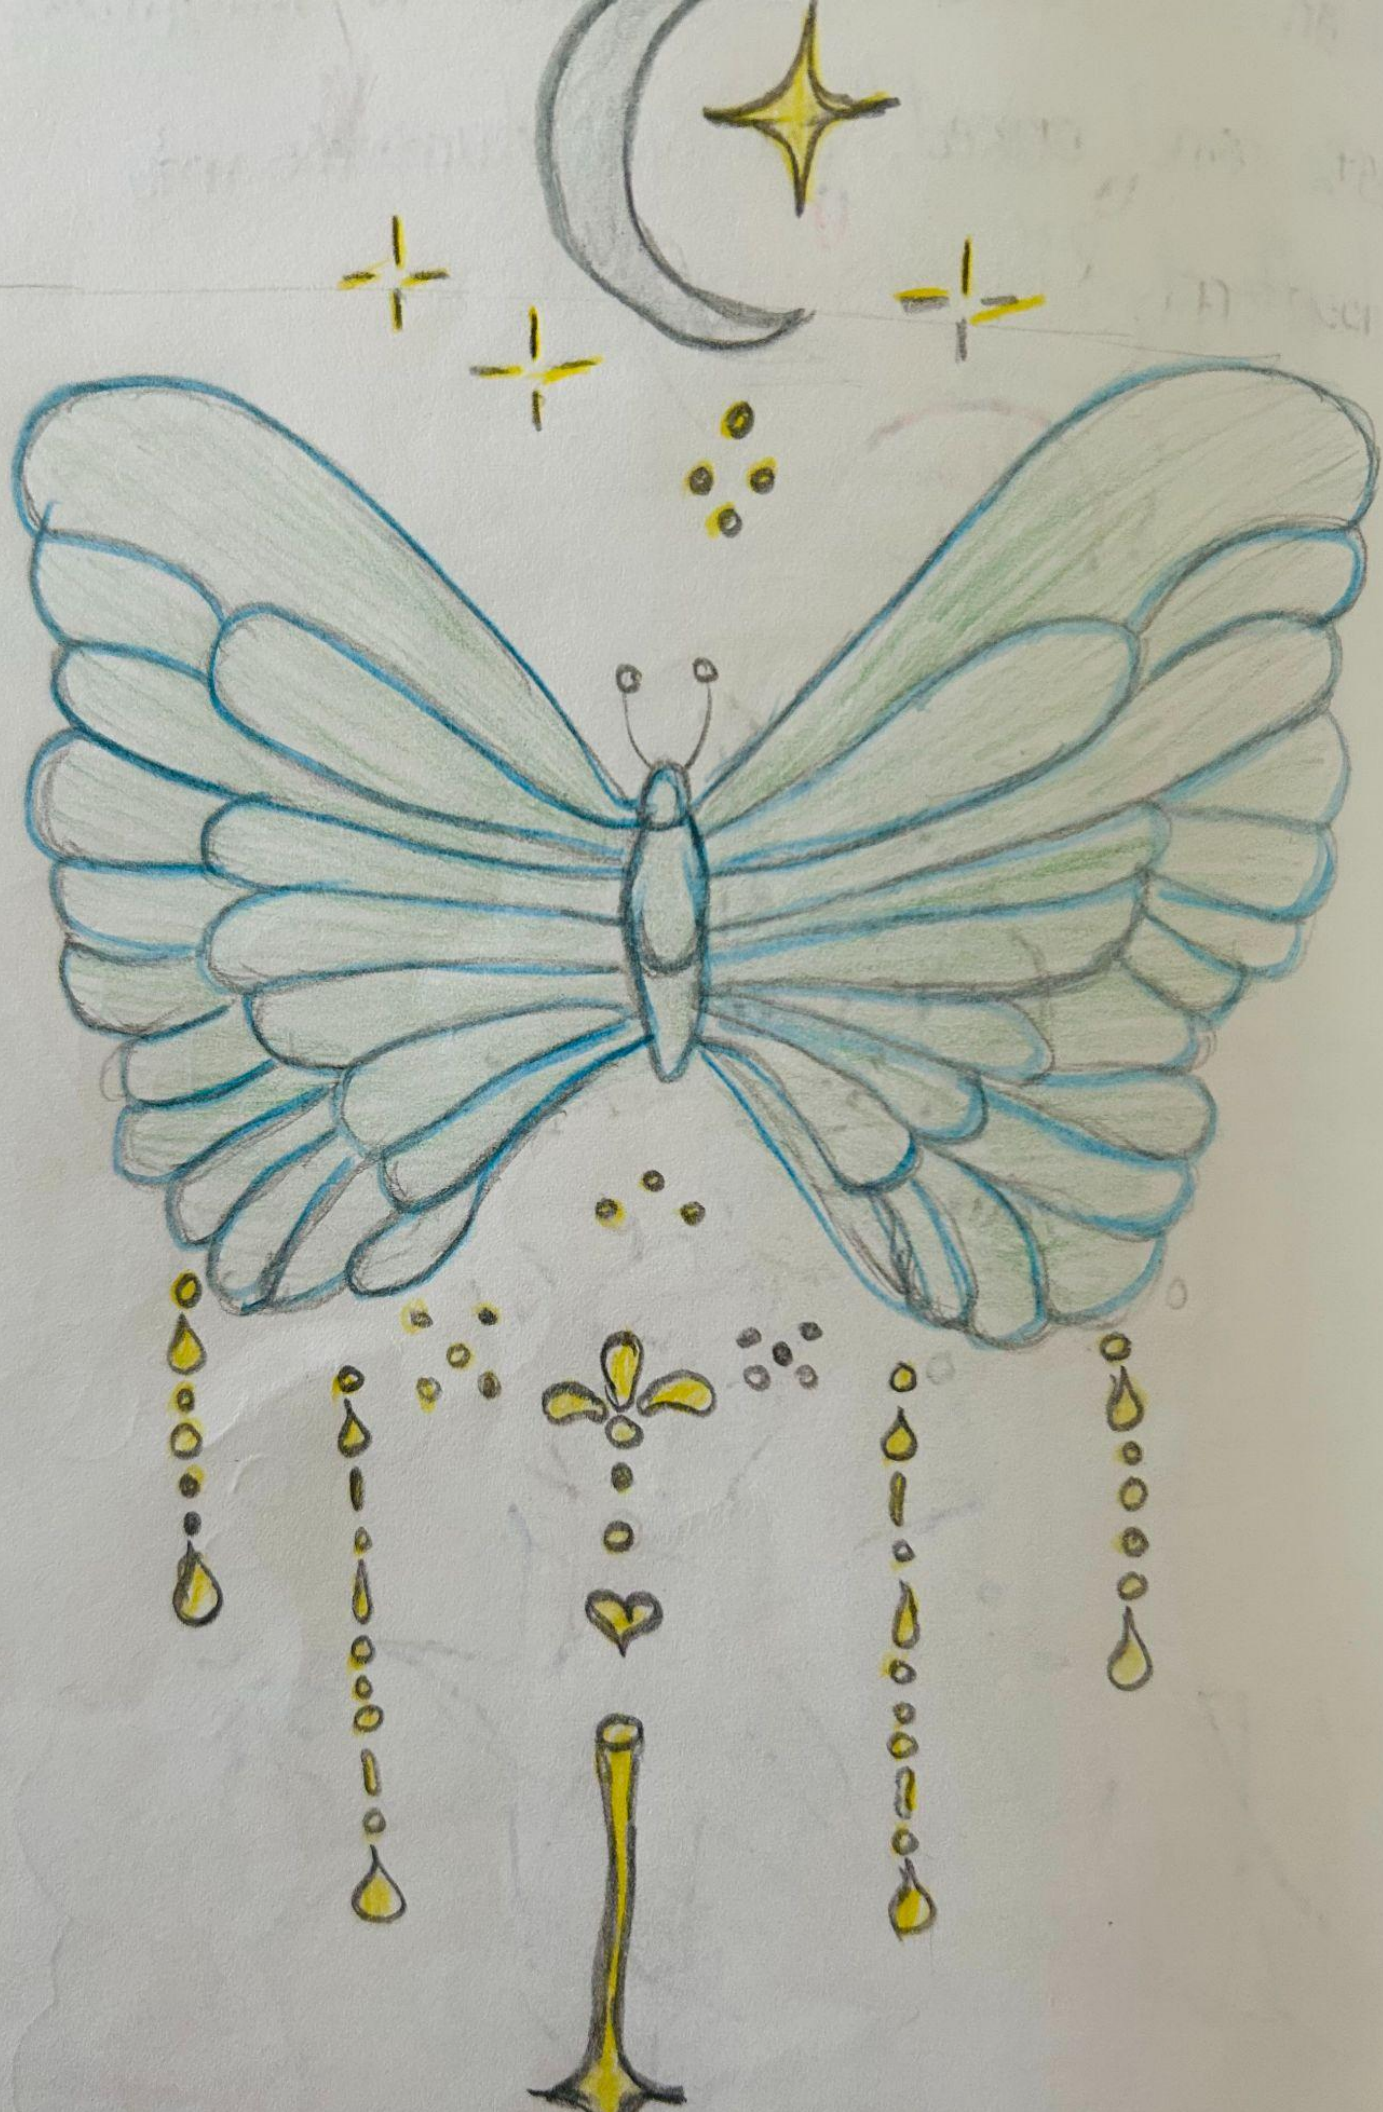

So Oliver went on adventure
to find Mr. Sirius ready for
something amazing to
happen.

Oliver the little cat walked to
Mr. Sirius castle and asked
“can you turn me into a
butterfly”

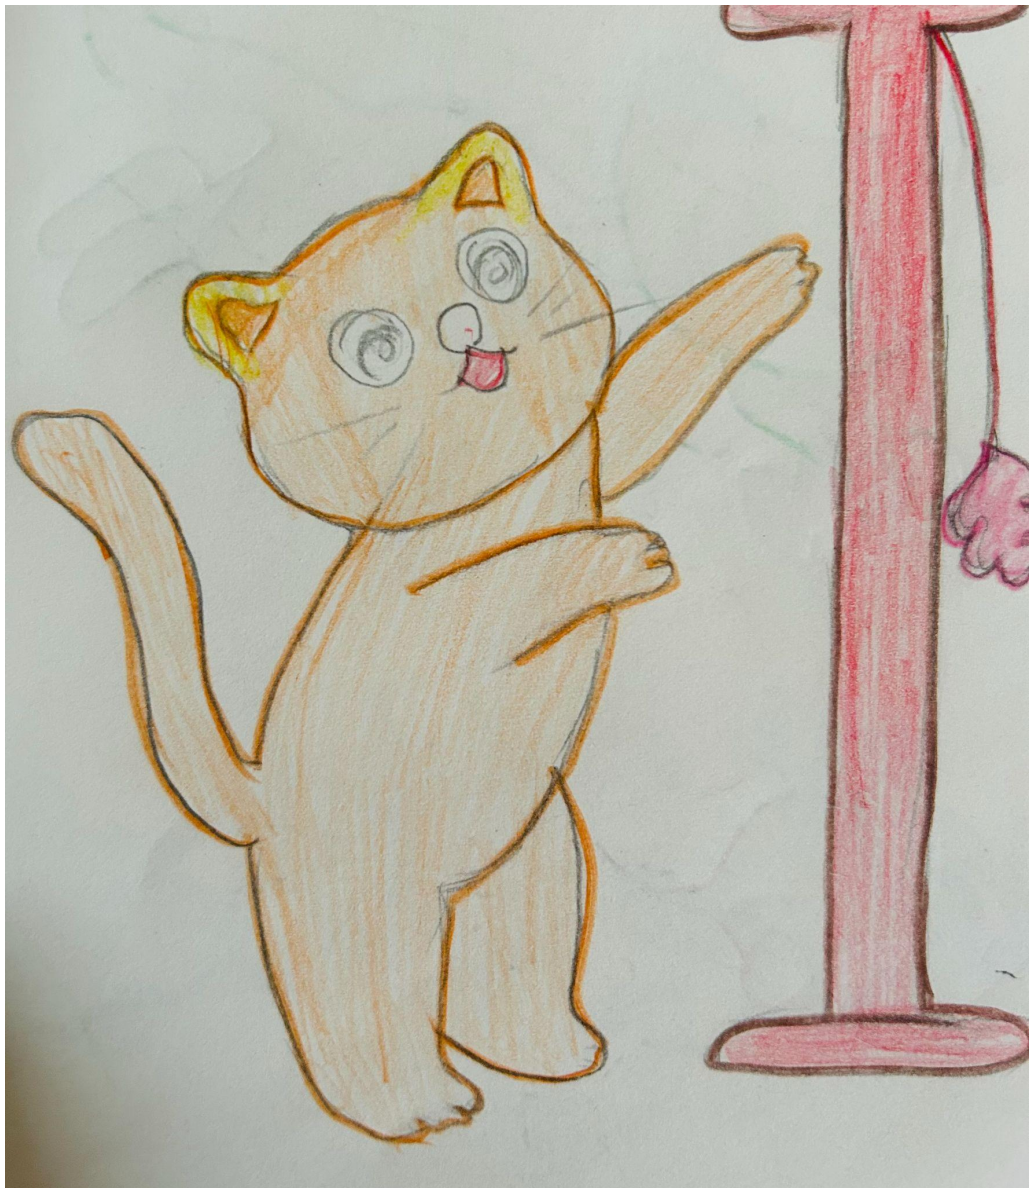

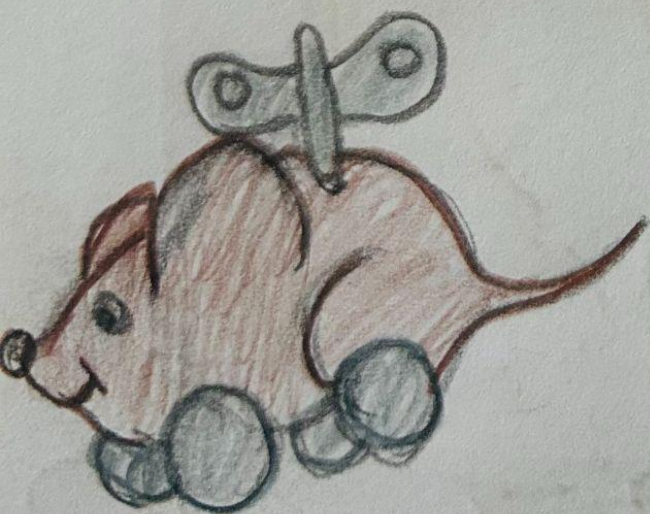

Mr Cyrus explained to Oliver that butterflies have a short time to fly and enjoying the flowers.

But they also face money dangers, like birds and the weather Oliver thought about this and realized that he loved his life as a cat playing and pouring.

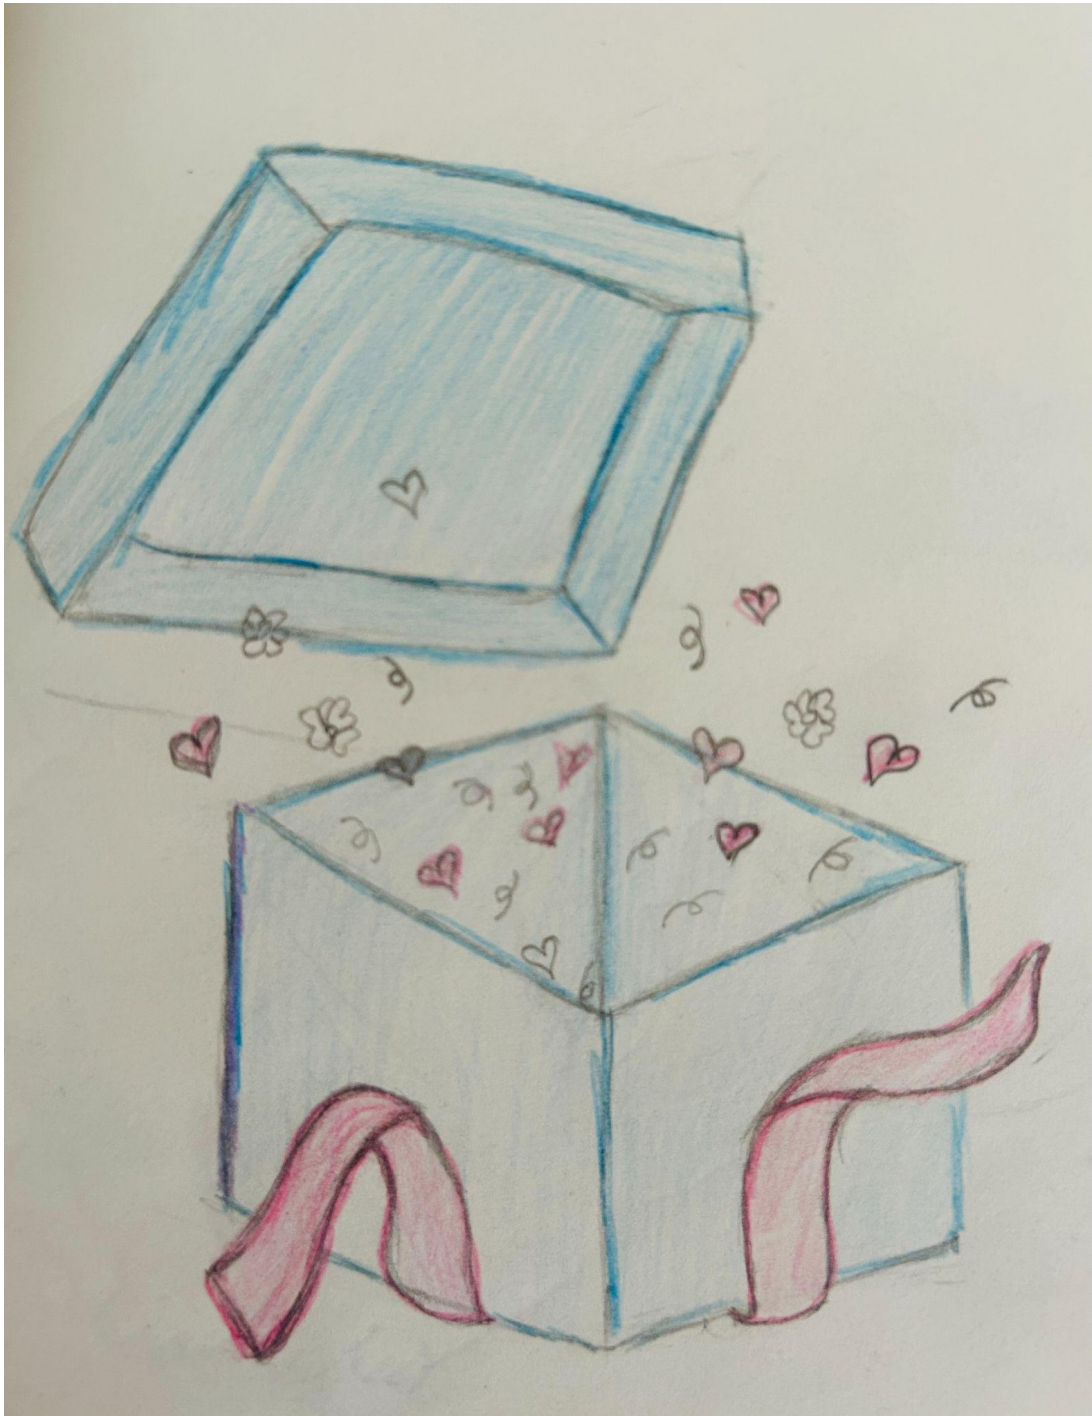

So, Oliver changed his mind
“Mr. Sirius” Oliver said “I don't
want to be a butterfly
anymore I just want to be a
happy cat.”

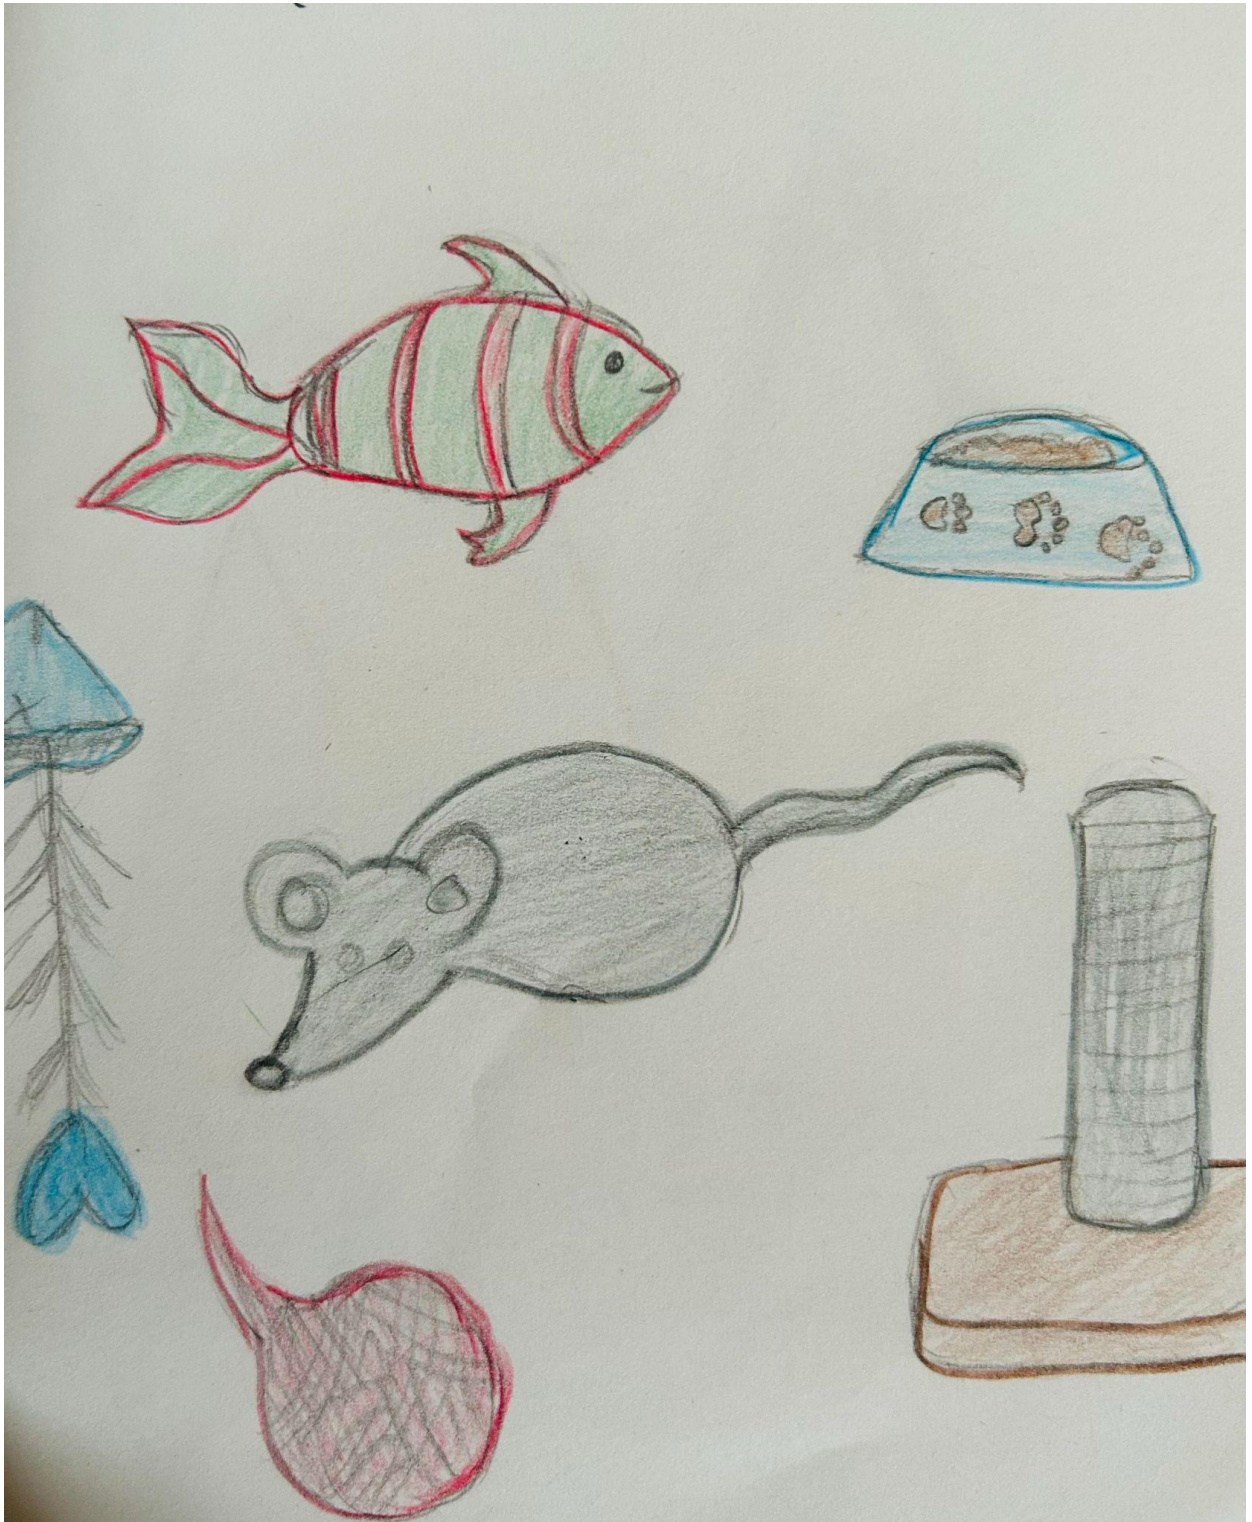

Mr. Sirius smile and said
“sometimes what we already
have is the best wish come
true.”

Oliver went back home and played with his toys and was happy to be just a cat.

Oliver woke up and realized that everything that happened was just a dream.
